COVID-19 Guidance for Restaurants & Beverage Vendors Offering Takeout or Curbside Pickup

OSHA is committed to protecting the health and safety of America’s workers and workplaces during these unprecedented times. The agency will be issuing a series of industry-specific alerts designed to help keep workers safe.

If you are in the restaurant or beverage industry and offer takeout or curbside pickup services during the COVID-19 pandemic, the following tips can help reduce workers’ risk of exposure to the coronavirus:

- Encourage workers to stay home if they are sick.
- Avoid direct hand-off, when possible.
- Display a door or sidewalk sign with the services available (e.g., take-out, curbside), instructions for pickup, and hours of operation.
- Reserve parking spaces near the front door for curbside pickup only.
- Train workers in proper hygiene practices and the use of workplace controls.
- Allow workers to wear masks over their nose and mouth to prevent spread of the virus.
- Provide a place to wash hands and alcohol-based hand rubs containing at least 60% alcohol.
- Routinely clean and disinfect surfaces and equipment with Environmental Protection Agency-approved cleaning chemicals from List N or that have label claims against the coronavirus.
- Practice sensible social distancing by maintaining six feet between co-workers and customers. Mark six-foot distances with floor tape in pickup lines, encourage customers to pay ahead of time by phone or online, temporarily move workstations to create more distance, and install plexiglass partitions, if feasible.
- Encourage workers to report any safety and health concerns.
