

Table 1: Requested Burden-Hour Adjustments

Information Collection Requirement	Current Burden Hours	Requested Burden Hours	Adjustment	Cost Under Item 12	Responses	Explanation of Adjustment
Assessment of Workplace for Hazards (1910.132(d)(1)) and Written Certification of Assessment (1910.132(d)(2))	220,000	220,000	0			The Agency has determined that all employers have performed the initial PPE assessment.
	1,202,439	0	(1,202,439)	\$ 8,676,800	220,000	
Certification of PPE Training (1910.132(f)(4))	224,640	140,400	-84,240	\$ 2,566,512	2,808,000	Employers disclose records upon request during an inspection. Employers are likely to maintain certifications together in one location; therefore disclosure time per employee is an over estimation. (See disclosure time per inspection below) Removed the time to disclose each individual certification record; reduced time from .08 hour to .05 hour.
	0	234,000	234,000	\$ 4,277,520	11,700,000	Time to maintain training records was not calculated in the previous ICR.
	187,200	117,000	-70,200	\$ 2,138,760	2,340,000	Employers will disclose records during an inspection burden hours. Employers are likely to maintain certifications together in one location; therefore time per employee is an over estimation. (See disclosure time per inspection below) Removed the time to disclose each individual certification record; reduced time from .08 hour to .05 hour.
	0	462	462	\$ 18,221	15,400	Calculated a separate burden for the estimated number of inspections where records would be required to be disclosed.
TOTALS	1,834,279	711,862	-1,122,417	\$ 9,001,013	17,083,400
