  - The Toledo AO AD continues to sit on the Board of Directors of the SCNWO.

#### Alliance Products

None to report

#### IV. Results

A. The OSHA/SCNWO Alliance provides opportunities to increase the safety and health knowledge of safety council members in Northwest Ohio. OSHA personnel provide current occupational safety and health information to the Council, who in turn distribute to their membership either via email or newsletter venues. In addition, the parties conduct joint training and education courses to SCNWO members and other stakeholders.

B.

<b>Type of Activity (Conference, Training, Print and Electronic Distribution, etc.)</b>	<b>Number of Individuals Reached or Trained</b>
Temporary Workers Seminar	<b>140</b>
NW Ohio Safety and Health Day Collaboration	<b>375</b>
COSS Classes	<b>40</b>
Electrical Workshops	<b>64</b>
Electronic distribution of Heat Stress information	<b>400 (approx.)</b>
<b>TOTAL</b>	<b>1019</b>

#### V. Upcoming Milestones

The Alliance is due for renewal. Discussions and email between representatives of both parties have detailed the extreme success of this Alliance and commitment from all parties to renew. This has been an extremely effective Alliance over multiple renewals, and the Agency should pursue continuing the Alliance going forward.

Report Prepared by: Kimberly Nelson, Area Director
