Occupational Safety and Health Administration
Dallas Area Office and Fort Worth Area Office
And
Consulate of El Salvador, Dallas Texas**

Oct 27, 2015

I. Alliance Background

A. Date Signed:

Aug 26, 2013

B. Evaluation Period

Aug 26, 2014 to Aug 26, 2015

C. Overview

Alliance with the Consulate of El Salvador -Dallas and the Dallas Area Office and directed towards reducing injuries, illnesses and fatalities in the Construction and the General industries. The Consulate of El Salvador offers general civil information to Salvadoran Nationals waiting for their passports and ID Cards at the lobby of the Consulate.

D. Implementation Team Members

OSHA

Stephen Boyd, Area Director (AD), Dallas Area Office

Jack Rector, Area Director (AD), Fort Worth Area Office

Elias Vela, Compliance Assistance Specialist (CAS), Dallas Area Office

Consulado de El Salvador in Dallas

Jose Mario Mejia Barrera, Consul General de El Salvador

Erika Pineda, Assistant at the Consulate of El Salvador

II. Implementation Team Meetings

Worker Rights week was held on the last week of August, 2014. CAS Elias Vela was invited and provided verbal and Power-point presentations in the lobby of the Consulate of El Salvador where an audience of approximately 50 to 100 Salvadoran Nationals were attentive and participated in Question and Answer periods.

CAS Elias Vela returned monthly to the lobby of waiting Salvadoran Nationals and the OSHA Labor Rights presentations were repeated, and OSHA outreach literature was distributed in Spanish. Elias Vela met with Consul General Jose Mario Mejia Barrera and Erika Pineda on a routine basis to discuss updates.

In addition to these formal meetings, the Alliance coordinators from both groups maintained regular email contact throughout the reporting period to monitor the Alliance's progress and results.

III. Results

The following table summarizes the Alliance's activities in support of the goals in the Alliance agreement.

Participation in the alliance has helped maintain and improve the knowledge and sharing of best practices. In addition to the meetings covering National Safety Stand-Down for Falls in Construction, heat stress, distracted driving policies, and other topics, meetings on workplace fatality trends, and best practices, OSHA outreach publications in Spanish were provided and distributed.

Outreach and Communication: Develop information on the recognition and prevention of workplace hazards, and ways of communication such information to Salvadoran Nationals working in North Texas. To speak, exhibit, or appear at the Participants' conferences, local meetings, or other events.
