II. Implementation Team Meetings

Worker Rights week was held on the last week of August, 2014. CAS Elias Vela was invited and provided verbal and Power-point presentations in the lobby of the Consulate of Mexico where an audience of approximately 100 to 200 Mexican Nationals were attentive and participated in Question and Answer periods.

CAS Elias Vela returned monthly to the lobby of waiting Mexican Nationals and the OSHA Labor Rights presentations were repeated, and OSHA outreach literature was distributed in Spanish. Elias Vela met with Anibal Rodriguez and Sergio Hayakawa on a routine basis to discuss updates.

In addition to these formal meetings, the Alliance coordinators from both groups maintained regular contact throughout the reporting period to monitor the Alliance's progress and results.

III. Results

The following table summarizes the Alliance’s activities in support of the goals in the Alliance agreement.

Participation in the alliance has helped maintain and improve the knowledge and sharing of best practices. In addition to the meetings covering National Safety Stand-Down for Falls in Construction, heat stress, distracted driving, distracted driving policies, and other topics, meetings on fatality trends, and best practices, OSHA outreach publications in Spanish were provided and distributed.

Outreach and Communication: [Develop information on the recognition and prevention of workplace hazards, and ways of communication such information to Mexican Nationals working in North Texas. To speak, exhibit, or appear at the Participants’ conferences, local meetings, or other events. Participate in “Mobile Consulate” activities and events.]
