

**ALLIANCE EVALUATION REPORT**  
**March 03, 2014**

**SAN ANTONIO AREA OFFICE AND DILLEY HIGH SCHOOL AND DILLEY ISD**

**I. Alliance Background**

**Date Signed: 2/28/2013**

**End Date: 2/08/2015**

**Overview:**

To provide the high school seniors entering the oil and gas industry with safety and health information, guidance, and training that will help them protect themselves in reducing and preventing exposure to occupational safety and health hazards such as heat stress, electrical, falls, struck-by, and caught-between hazards in the oil and gas industry. This alliance allows a student to receive an OSHA 10 hour card in general industry when they complete the training.

**Implementation Team Members**

Mr. Steve Alvarado Dilley High School

Raul Carrillo, CAS, OSHA San Antonio Office

**Evaluation Period**

02/08/2013 through 03/03/2014

**Implementation Team Meetings**

The alliance meets once a year to conduct the OSHA 10 hour training.

**II. Events and Products**

40 Students received their OSHA 10 hour cards

**III. Training and Education**

- OSHA regulations
- OSHA Quick cards and Fact Sheets

**IV. Results**

Minority students in a disadvantage economic area are receiving free OSHA 10 hour classes to learn about their rights to work in a safe and healthful workplace. They are learning about OSHA regulations/standards and conducting basic job hazard analysis to

prevent an injury and assist others in avoiding injuries.

**V. Upcoming Milestones:**

- 10 Hour General Industry Class, 5/23/2014
