Occupational Safety and Health Administration
San Antonio Area Office
And
Marek Employment Management Company

August 08, 2015

I. Alliance Background

A. Date Signed

August 7, 2013

B. Evaluation Period

August 8, 2014 – August 7, 2015

C. Overview

To provide OSHA training to temporary workers and contractors in the construction industry and others with information, guidance, and access to training resources that will help them protect employees' health and safety, particularly in reducing and preventing exposure to occupational safety and health hazards such as heat stress, electrical, falls, struck-by, and caught-between hazards in the construction industry. This alliance provides safety and health training member businesses.

In this alliance we will conduct safety and health training meetings with contractors and their workers who speak Spanish and English. Classes and briefing will include: workers' rights, employer responsibilities, employee responsibilities, heat stress prevention and recognition, preventing falls, other hazards at the construction sites.
