

ALLIANCE EVALUATION REPORT
October 28, 2013

**The Occupational Safety and Health Administration (OSHA), San Antonio Area
Office and the San Antonio Masonry Contractors Association**

I. Alliance Background

A. Date Signed: 10/09/2012

End Date: 10/09/2014

B. Evaluation Period

10/09/2012 through 10/09/2013

C. Overview:

To provide small contractors in the masonry construction industry and others with information, guidance, and access to training resources that will help them protect employees' health and safety, particularly in reducing and preventing exposure to occupational safety and health hazards such as heat stress, electrical, falls, struck-by, and caught-between hazards in the construction industry. This alliance provides educating small businesses on creating and having a safety/health program for their business.

In this alliance, we will conduct safety and health training meetings with the small contractors and their workers. Classes and briefing include: workers' rights, employer responsibilities, employee responsibilities, heat stress prevention and recognition, preventing falls, and other hazards at the construction sites.
