

# **ALLIANCE CLOSE-OUT REPORT**

**U.S. Department of Labor  
Occupational Safety and Health Administration  
Dallas Area Office  
And  
United Masonry Contractors Association - Dallas**

**September 15, 2014**

## **I. Alliance Background**

### **A. Date Signed**

September 7, 2012

### **B. Evaluation Period**

September 7, 2013 through September 7, 2014

### **C. Overview**

Achieve the following training and education goals:

- Deliver or arrange for the delivery of 10 and 30-Hour Construction Safety and Health Courses;
- Provide expertise to develop workplace safety and health curricula based on best practices.

Achieve the following outreach and communication goals:

- Provide expertise in developing information on the recognition and prevention of workplace hazards, and to provide expertise in developing ways of communicating such information (e.g. print and electronic media, electronic assistance tools and OSHA's and the UMCA's Web sites) to employers and employees in the industry;
- Speak, exhibit, or appear at UMCA conferences, local meetings, or other events;
- Share information among OSHA personnel and industry safety and health professionals regarding UMCA best practices or effective approaches and publicize results through outreach by UMCA and through OSHA – or UMCA developed materials, training programs, workshops, seminars, and lectures (or any other applicable forum).

## **D. Implementation Team Members**

### USDOL/OSHA

Stephen Boyd, Area Director (AD), Dallas Area OSHA Office  
Elias Vela, Compliance Assistance Specialist (CAS), Dallas Area OSHA Office

### United Masonry Contractors Association - Dallas
