

SPI/OSHA Alliance
Free Safety Training for
Injection Molding Machines

Isothermal Community College

Forest City, NC

August 6, 2003

8:30 to 11:30 a.m.

REGISTRATION

Please complete and return, via fax, this registration form for SPI-OSHA Alliance Machine Safety for Injection Molding Machines Training Course.

Name:

Company:

Address:

City/State/ZIP:

Telephone: _____ FAX: _____ E-mail: _____

FAX REGISTRATION TO: SPI South at 864/239-0549 by August 4.

Even though there is no charge for this course, pre-registration is necessary so the instructors will have enough class materials for each attendee.

For questions on the course, contact Susan Howe, SPI's Senior Technical Director of Worker and Product Safety, at 202/974-5223; or by email: showe@socplas.org.
