Mr. Nick A. Walters
Regional Administrator
Occupational Safety and Health Administration
230 South Dearborn Street, Room 3244
Chicago, Illinois 60604

Mr. Walters:

I received and reviewed the FY 2013 Federal Annual Monitoring and Evaluation (FAME) Report for the Indiana Occupational Safety and Health State Plan (IOSHA).

I believe the audit that produced the FY 2013 FAME Report was conducted before the results were available from the CASPA 13-30 investigation, so it is not unexpected that the FY 2013 FAME Report addresses many of the same issues that were addressed in the context of CASPA 13-30. Indiana OSHA will treat these matters independently and continue to address and report on each discrete recommendation within the context of the report in which it was issued.

Our Indiana OSHA staff is preparing the Corrective Action Plan (CAP), which will be submitted to you on or before the expected due date of August 22, 2014.

Sincerely,

Rick J. Ruble
