Agenda: August 23, 2013 -Open to the Public- Scheduled Items, Public Comment

| | | |
|---|---|---|
| 10:00 AM to 10:05 AM | Opening Remarks / Agenda Overview | ACCSH Chair |
| 10:05 AM to 12:45 PM | SIP IV - Replace the definitions of "employee" and "employer" in 29 CFR 1926.32 with the definitions of those terms found in 29 CFR 1910.2 | DOC - Office of Construction Standards and Guidance |
| | SIP IV - Correct and reformat table at 29 CFR 1926.55 (Threshold Limit Values) for clarity and consistency with its counterpart in the general industry standard at 29 CFR 1910.1000 | DOC - Office of Construction Standards and Guidance |
| | SIP IV - Standardize break-strength requirements for lanyards and lifelines throughout the construction and general industry standards of 29 CFR parts 1910 and 1926 | DOC - Office of Construction Standards and Guidance |
| | SIP IV - Clarify the excavation requirements at 29 CFR 1926.651(j)(1) and (2) – keeping loose rock and soil, and equipment and materials, away from the edge of excavations | DOC - Office of Construction Standards and Guidance |
| | SIP IV - Update the 29 CFR 1926.50 requirement to post emergency medical contact information in locations without 911 emergency services | DOC - Office of Construction Standards and Guidance |
| | SIP IV - Replace the 29 CFR 1926.64 requirements for process safety management of highly hazardous chemicals with a cross reference to the general industry regulations at 29 CFR 1910.119 | DOC - Office of Construction Standards and Guidance |
| | SIP IV - Replace the outdated 29 CFR subpart W (Rollover Protective Structures; Overhead Protection) requirements with cross references to appropriate consensus standards | DOC - Office of Construction Standards and Guidance |
| | SIP IV - Amend the 29 CFR 1926.250(a)(2) requirement to post maximum safe-load limits for buildings under construction to exempt single family dwellings | DOC - Office of Construction Standards and Guidance |
| | SIP IV - Update the Definition of "Potable Water" in 29 CFR 1926.51(a)(6) with the newer language found in the general industry standard at 29 CFR 1910.141(a)(2) | DOC - Office of Construction Standards and Guidance |
| | SIP IV - Clarify the rules that an employer must ensure that a physician or other licensed health care professional must use to make a determination that a hearing loss case is not work-related under 29 CFR 1904.10(b)(6)1904.10(b)(6) | DOC - Office of Construction Standards and Guidance |
| | SIP IV - Remove requirements for chest x-rays in certain health standards, such as cadmium and inorganic arsenic, that may affect construction employees | Directorate of Standards and Guidance |
| SIP IV - Permit digital storage of x-rays (not just film) | Directorate of Standards and Guidance | |
| 12:45 to 1:00 PM | Chair Remarks / Public Comments | ACCSH Chair / Members of the Public |
