PLEASE BE AWARE THIS IS A BLENDED COURSE. You should receive your enrollment notification for the web-based portion of training from coursemill-osha@trivantis.com approximately eight (8) weeks before the classroom portion of training is scheduled to begin. The message will contain your User ID and initial password. You can access the web-based portion of the course at oshaelearning.coursemill.com only after the enrollment notifications for the web-based portion of training have been issued. If you have not received that message and the classroom portion of training is eight (8) weeks away (or less), please notify your OSHA Training Coordinator immediately.

You are required to complete the web-based portion by the date specified in the enrollment notification or you will be cancelled from the course. You will not be permitted to attend the instructor-led portion.

PLEASE NOTE: Class ends at 4:15 PM on last day. Pre-tests and post-tests are administered in all OTI courses.

## Fiscal Year 2018 OTI Training Schedule

Safety equipment is not required; however CLOSED TOED SHOES ARE REQUIRED FOR LAB EXERCISES.

Instructors will hand out course completion certificates during the last hour of the course. Make-up work will not be assigned to compensate for absence during the course.

### **Schedule ID 3160 – Steel Erection** (3 Days - Tu-Th)

1057885      07/24/18 – 07/26/18      Brian Calliari
