Susan Harwood Training
Grant Program

Grant Budget Proposal
Susan Harwood Training Grant Program

Program Overview

Provide funding to nonprofit organizations and State or local government supported institutions of higher education to provide safety and health training to workers and/or employers covered by the OSH Act.
Grant Budget

- The budget defines the projected costs that will allow the grantee to complete approved program activities.
  - Susan Harwood Training Grant Program activities must focus on disseminate training and/or training materials on occupational safety and health topics to workers and employers who are at-risk and working in small businesses covered by the OSH Act.

- The budget justifies and supports the grant funds requested.
Training Costs

The grant focuses on the number of workers and employers trainees, and how much time is spent training them.

- Cost per trainee must be less than $500
  \[
  \text{Total Budget} \div \text{Total Projected Number of Trainees} \\
  \text{(Total Budget includes all federal and applicant funds)}
  \]

- Cost per training contact hour must be to less than $125
  \[
  \text{Total Budget} \div \text{Total Projected Number of Trainee Contact Hrs.} \\
  \text{(Total Budget includes all federal and applicant funds)}
  \]
Allowable Grant Costs

Grant funds may be used for costs related to:

- Developing and/or purchasing training and educational materials for the project
- Conducting outreach and recruiting activities to increase the number of workers and/or employers participating in the program
- Conducting free training and other activities that inform workers and/or employers about workplace occupational safety and health hazards and hazard abatement
- Completing grant reporting requirements
- Fulfilling other approved program activities
Prohibited Grant Costs

The Funding Opportunity Announcements list restrictions on the use of grant funds. A few are:

- Training on topics that do not address the recognition, avoidance, and prevention of unsafe or unhealthy working conditions
- Training on topics that are not covered by OSHA
- Duplicating training and other services offered by OSHA (OSHA Training Institute (OTI), OTI Education Center, or OSHA 10 & 30 hours training courses)
- Conducting training as a certification program or requirement for a certification program
More Prohibited Costs

- Pay for staff development including costs to take OSHA Training Institute or OSHA Training Institute Education Center courses;
- Conducting training through any pre-existing, proprietary, or industry training or certification programs
- Compensating trainee (stipends, incentives, lost wages) for attending the training
- Generate membership for the organization
- Providing food and beverages at trainings
- Reimbursing pre-award costs (e.g., grant writing costs)
Administrative & Program Costs

Grant costs must be allocated as either a program or an administrative cost.

- **Program Costs** relate to training
  - Costs incurred for training development and activities
  - Costs of goods and services for direct program functions

- **Administrative Costs** relate to administering the grant
  - Costs to attending required OSHA meetings
  - Costs for general administrative functions
  - Costs for goods and services for administrative functions
  - Cost of all indirect costs (Supported by an Indirect Cost Rate Agreement or 10% de minimis calculations)

- Total Administrative costs may not exceed 25% of the total budget

Line k. TOTALS must match the column totals on Section A and category totals on the Detailed Budget Support documents.
The detailed budget support documents are created by the applicant

- Details what costs were included in the SF-424A cost category
- Describe how the costs are calculated
- Costs must be separated by cost category, administrative, program, federal, and application contribution costs
- All costs must match the costs allocated to the cost categories shown on the SF424A
Budget Cost Categories

- **Personnel costs**
  - Staff title and salary should be identified for all staff being charged to the grant
  - The percentage of time to be spent working on the grant should be noted
  - Personnel costs should be separate from Fringe Benefits

- **Fringe Benefits**
  - Identify percentage of benefits based on salary
  - Justification should detail benefits included
Budget Cost Categories (cont.)

- **Travel**
  - Include travel for two staff (one program and one financial) to attend an orientation meeting (Administrative cost)
  - Program travel necessary for grant activities
  - Detail should include estimated costs for airline, hotel, per diem, etc.

- **Equipment**
  - Limited for training purposes only
  - Justification should include a description and purpose of the equipment
Budget Cost Categories (cont.)

- **Supplies**
  - Any general training or administrative supplies that would not be depreciated
  - Justification should include a general description of the supplies and the approximate cost of each

- **Contractual**
  - Any program or administrative function to be provided by another organization under contract
  - Each contract must identified the purpose/service for the contract, the contractor, and amount of contract
