

Occupational Safety and Health Administration
Nationally Recognized Testing Laboratory Program

Certificate of Recognition

QAI Laboratories, LTD

with headquarters at:

#16 - 211 Schoolhouse Street
Coquitlam, British Columbia V3K 4X9
Canada

is recognized by the Occupational Safety and Health Administration (OSHA) as meeting the requirements for a Nationally Recognized Testing Laboratory (NRTL) established under Section 1910.7 of *Title 29, Code of Federal Regulations*. This recognition is limited to testing and certification only within the current scope of recognition and is subject to all other terms set forth in the letter of recognition and in applicable *Federal Register* notices and as summarized on OSHA's website. This recognition continues in force beyond the "Effective through" date below provided the NRTL has filed a timely request for renewal with OSHA. For current recognition status and other recognition information, contact the OSHA NRTL Program or visit <https://www.osha.gov/dts/otpca/nrtl/>

December 19, 2019
Effective Through

David Michaels, PhD, MPH
Assistant Secretary of Labor for
Occupational Safety and Health Administration
