Final Rule

For the reasons stated in the preamble, OSHA amends parts 1904 and 1902 of chapter XVII of title 29 as follows:

PART 1904—[AMENDED]

1. The authority citation for part 1904 continues to read as follows:

2. Revise § 1904.35 to read as follows:

   § 1904.35 Employee involvement.

   (a) Basic requirement. Your employees and their representatives must be involved in the recordkeeping system in several ways.
(1) You must inform each employee of how he or she is to report a work-related injury or illness to you.

(2) You must provide employees with the information described in paragraph (b)(1)(iii) of this section.

(3) You must provide access to your injury and illness records for your employees and their representatives as described in paragraph (b)(2) of this section.

(b) Implementation--(1) What must I do to make sure that employees report work-related injuries and illnesses to me? (i) You must establish a reasonable procedure for employees to report work-related injuries and illnesses promptly and accurately. A procedure is not reasonable if it would deter or discourage a reasonable employee from accurately reporting a workplace injury or illness;

(ii) You must inform each employee of your procedure for reporting work-related injuries and illnesses;

(iii) You must inform each employee that:

(A) Employees have the right to report work-related injuries and illnesses; and

(B) Employers are prohibited from discharging or in any manner discriminating against employees for reporting work-related injuries or illnesses; and

(iv) You must not discharge or in any manner discriminate against any employee for reporting a work-related injury or illness.

(2) [Reserved]

3. Revise § 1904.36 to read as follows:

§ 1904.36 Prohibition against discrimination.
In addition to § 1904.35, section 11(c) of the OSH Act also prohibits you from discriminating against an employee for reporting a work-related fatality, injury, or illness. That provision of the Act also protects the employee who files a safety and health complaint, asks for access to the part 1904 records, or otherwise exercises any rights afforded by the OSH Act.

**Subpart E—Reporting Fatality, Injury and Illness Information to the Government**

4. Add an authority citation to subpart E of 29 CFR part 1904 to read as follows:

5. Revise § 1904.41 to read as follows:

   **§ 1904.41 Electronic submission of injury and illness records to OSHA.**

   (a) **Basic requirements**—(1) Annual electronic submission of part 1904 records by establishments with 250 or more employees. If your establishment had 250 or more employees at any time during the previous calendar year, and this part requires your establishment to keep records, then you must electronically submit information from the three recordkeeping forms that you keep under this part (OSHA Form 300A Summary of Work-Related Injuries and Illnesses, OSHA Form 300 Log of Work-Related Injuries and Illnesses, and OSHA Form 301 Injury and Illness Incident Report) to OSHA or OSHA’s designee. You must submit the information once a year, no later than the date listed in paragraph (c) of this section of the year after the calendar year covered by the forms.

   (2) Annual electronic submission of OSHA Form 300A Summary of Work-Related Injuries and Illnesses by establishments with 20 or more employees but fewer than 250 employees in designated industries. If your establishment had 20 or more employees but fewer than 250
employees at any time during the previous calendar year, and your establishment is classified in
an industry listed in appendix A to subpart E of this part, then you must electronically submit
information from OSHA Form 300A Summary of Work-Related Injuries and Illnesses to OSHA
or OSHA’s designee. You must submit the information once a year, no later than the date listed
in paragraph (c) of this section of the year after the calendar year covered by the form.

(3) **Electronic submission of part 1904 records upon notification.** Upon notification, you must
electronically submit the requested information from your part 1904 records to OSHA or
OSHA’s designee.

(b) **Implementation**—(1) **Does every employer have to routinely submit information from the
injury and illness records to OSHA?** No, only two categories of employers must routinely submit
information from their injury and illness records. First, if your establishment had 250 or more
employees at any time during the previous calendar year, and this part requires your
establishment to keep records, then you must submit the required Form 300A, 300, and 301
information to OSHA once a year. Second, if your establishment had 20 or more employees but
fewer than 250 employees at any time during the previous calendar year, and your establishment
is classified in an industry listed in appendix A to subpart E of this part, then you must submit
the required Form 300A information to OSHA once a year. Employers in these two categories
must submit the required information by the date listed in paragraph (c) of this section of the
year after the calendar year covered by the form or forms (for example, 2017 for the 2016
forms). If you are not in either of these two categories, then you must submit information from
the injury and illness records to OSHA only if OSHA notifies you to do so for an individual data
collection.
If I have to submit information under paragraph (a)(1) of this section, do I have to submit all of the information from the recordkeeping form? No, you are required to submit all of the information from the form except the following:

(i) Log of Work-Related Injuries and Illnesses (OSHA Form 300): Employee name (column B).

(ii) Injury and Illness Incident Report (OSHA Form 301): Employee name (field 1), employee address (field 2), name of physician or other health care professional (field 6), facility name and address if treatment was given away from the worksite (field 7).

Do part-time, seasonal, or temporary workers count as employees in the criteria for number of employees in paragraph (a) of this section? Yes, each individual employed in the establishment at any time during the calendar year counts as one employee, including full-time, part-time, seasonal, and temporary workers.

How will OSHA notify me that I must submit information from the injury and illness records as part of an individual data collection under paragraph (a)(3) of this section? OSHA will notify you by mail if you will have to submit information as part of an individual data collection under paragraph (a)(3). OSHA will also announce individual data collections through publication in the Federal Register and the OSHA newsletter, and announcements on the OSHA Web site. If you are an employer who must routinely submit the information, then OSHA will not notify you about your routine submittal.

How often do I have to submit the information from the injury and illness records? If you are required to submit information under paragraph (a)(1) or (2) of this section, then you must submit the information once a year, by the date listed in paragraph (c) of this section of the year.
after the calendar year covered by the form or forms. If you are submitting information because
OSHA notified you to submit information as part of an individual data collection under
paragraph (a)(3) of this section, then you must submit the information as often as specified in the
notification.

(6) How do I submit the information? You must submit the information electronically. OSHA
will provide a secure Web site for the electronic submission of information. For individual data
collections under paragraph (a)(3) of this section, OSHA will include the Web site’s location in
the notification for the data collection.

(7) Do I have to submit information if my establishment is partially exempt from keeping OSHA
injury and illness records? If you are partially exempt from keeping injury and illness records
under §§ 1904.1 and/or 1904.2, then you do not have to routinely submit part 1904 information
under paragraphs (a)(1) and (2) of this section. You will have to submit information under
paragraph (a)(3) of this section if OSHA informs you in writing that it will collect injury and
illness information from you. If you receive such a notification, then you must keep the injury
and illness records required by this part and submit information as directed.

(8) Do I have to submit information if I am located in a State Plan State? Yes, the requirements
apply to employers located in State Plan States.

(9) May an enterprise or corporate office electronically submit part 1904 records for its
establishment(s)? Yes, if your enterprise or corporate office had ownership of or control over one
or more establishments required to submit information under paragraph (a)(1) or (2) of this
section, then the enterprise or corporate office may collect and electronically submit the
information for the establishment(s).
(c) Reporting dates. (1) In 2017 and 2018, establishments required to submit under paragraph (a)(1) or (2) of this section must submit the required information according to the table in this paragraph (c)(1):

6. Add appendix A to subpart E of part 1904 to read as follows:

Appendix A to Subpart E of Part 1904—Designated Industries for § 1904.41(a)(2) Annual Electronic Submission of OSHA Form 300A Summary of Work-Related Injuries and Illnesses by Establishments With 20 or More Employees but Fewer Than 250 Employees in Designated Industries
