A Time to Show Your Commitment to Safety Through...

Management Leadership

+

Worker Participation

+

Finding and Fixing Hazards

What Is Safe + Sound Week?

A nationwide event to raise awareness and understanding of the value of proactive safety and health programs in workplaces.

Why Participate?

Safe workplaces are sound businesses. Successful safety and health programs can proactively identify and manage workplace hazards before they cause injury or illness, improving sustainability and the bottom line. Participating in Safe + Sound Week can help get your program started or energize an existing one.

Who Is Encouraged to Participate?

Organizations of any size or in any industry looking for an opportunity to show their commitment to safety to workers, the public, or supply chain partners should participate.
