

# QR Code Based MOBILE TRAINING (MAIN MODULE) on HAZARD COMMUNICATION STANDARD with GLOBALLY HARMONIZED SYSTEM

## Free Hazard Communication Standard Training

OSHA approved training materials developed under an OSHA Susan Harwood training grant

Two different training modules (Main and Refresher) prepared in two languages (English and Spanish) delivered with acquired tablets

Trainees who participate in and complete the training; receive a certificate.

**OSHA requires employers to train their employees on the new standard by no later than June 1, 2016**

*We are currently recruiting trainees. If you are interested, please contact one of the training coordinators below.*
