

# ANNUAL ALLIANCE REPORT

U.S. Department of Labor  
Occupational Safety and Health Administration  
Dallas Regional OSHA Office  
And the  
Association of Energy Service Companies (AESC)

December 18, 2014

## I. Alliance Background

### A. Date Signed

September 24, 2013 signed

### B. Evaluation Period

September 24, 2013 to September 24, 2014

### C. Overview

Through the OSHA and AESC Alliance, the organizations are working together to provide AESC members and affiliates in the well servicing industry with information, guidance, and access to training resources to protect employees' health and safety. AESC has approximately 800 member companies who employ between 500,000 and 750,000 workers.

## II. Implementation Team Meetings
