

ANNUAL ALLIANCE REPORT

Occupational Safety and Health Administration Oklahoma City Area Office And the

Mid Continent Exploration & Production Safety Network (MCEPS)

September 18, 2014

I. Alliance Background

A. Date Signed

December 20, 2012-Renewed

B. Evaluation Period

September 20, 2012 to September 20, 2014

C. Alliance Overview

The emphasis is on promoting worker awareness of industry-related hazards and solutions in the exploration and production of oil and gas. OSHA, MCEPS, and ODOL/Consultation are committed to improving worksite operations and reducing work-related injuries and fatalities by providing members and others with information, guidance and access to training resources that will help them protect the health and safety of workers and understand the rights of workers and the responsibilities of employers under the Occupational safety and Health Act. MCEPS meets the third Thursday of each month to provide members with presentations and discussions of relevant safety and health issues in the industry.

D. Implementation Team Members:

Mid Continent Exploration & Production Safety Network (MCEPS)

Carl Rose, Protect Safety- President
Joyce Ryel, CES-Fluid Management-Vice President
Alan Anderson-Secretary

Alliance Products

Videos and power points presented during MCEPS meetings are accessible in electronic copies of the meeting minutes emailed to attendees. Meeting minutes are files in the National STEPS Network-Mid-Continent web site.

IV. Results

Fatalities in the oil and gas industry in Oklahoma have been reduced by 41.7 % in fiscal year 2014 compared to fiscal year 2012 since the safety stand down during June – July 2012. There were 7* oil and gas fatalities as of September 18, 2013 versus 12 fatalities as of September 30, 2012. * Does not include one fatality that may attribute to natural causes.

Type of Activity	Number of Individuals Reached or Trained
National STEPS Stand Down	5,956
Monthly MCEPS meetings	890
TOTAL	6,846

V. Upcoming Milestones

OSHA Oil and Gas Conference, December 2-3, 2014, Houston, TX (David Bates, A.D., OCAO will be co-chair)

Report Prepared by: Jorge A. Delucca, CAS, Oklahoma City Area Office
