Occupational Safety and Health Administration El Paso Area Office And the T & T Staff Management, Inc. #110

September 09, 2014

I. Alliance Background

A. Date Signed

Original - January 28, 004; Renewal - August 14, 2007; Renewal - August 25, 2009; Renewal - September 02, 2011 and Renewed - September 26, 2013.

B. Evaluation Period

This report covers September 2013 to August 2014

C. Alliance Overview

The Alliance between the United States Department of Labor's Occupational Safety and Health Administration and T & T Staff Management, Inc. was established as a collaborative relationship to foster a safety and more healthful workplace for Americans working in the construction industries. The goal of the Alliance is to save lives, particularly in reducing and preventing exposure to construction hazards such as falls from elevations, struck-by and caught-in-between objects, and electrocution.

D. Implementation Team Members

III. Activities and Products

Outreach and Communication

- Provided First Aid/CPR/AED training for El Paso Area Office Compliance Officers
- Hosted a free University of Texas at Arlington OSHA Education Center Fall Hazard Awareness Class
- Hosted a free TEEEX's OSHA Education Center Hazard Communication – Global Harmonized System Class
- Established web links on T&T website to OSHA and NSC websites
- Safety Specialists continued receiving Safety and Health courses from University of Texas at Arlington
- Continue to sponsor the lighted "Star" on the mountain which will be used to promote and represent employee safety in El Paso
- Distributed various OSHA educational materials and publications to El Paso based companies and provided materials to walk-ins
- T&T Staff Management coordinated and assisted the OSHA El Paso Area Office with its second annual OSHA Update in the El Paso Metropolitan area. There were thirty eight attendees representing twenty seven companies. There were several presentations given by the following personnel: AD Joann J. Figueroa presented the "EPAO Statistics & Current Events", AAD Diego Alvarado presented "Abatement Procedures", Whistleblower Investigator Jeff Cedar presented "Whistleblower Rights", CAS Abraham Arzola presented "National Emphasis Programs Compliance Assistance", and OSHCON Consultant David Franco presented an "OSHCON Overview"
- Participated in OSHA's National Fall Protection Stand Down. Provided Fall Protection Training to 270 employees working on various construction sites throughout El Paso, Texas

Promoting the National Dialogue on Workplace Safety and Health

- Continue to dialog with OSHA Education Centers in Region VI to try and expand safety training in English and Spanish for the El Paso, Far West Texas region. Continue partnership with the University of South Florida OSHA Training Institute in providing web links offering on-line OSHA 10 & 30 hour course
