Mr. Richard Mendelson
Regional Administrator
Federal Building
201 Varick Street, Room 670
New York, NY 10014

Dear Mr. Mendelson:

We received the FY 2020 Comprehensive Federal Annual Monitoring and Evaluation (FAME) Report for the Puerto Rico Occupational Safety and Health Administration (PR OSHA) State Plan.

As the last year, we were part of this process by members of your Region II Staff, Mr. Mike Levy, Mrs. Carol Tiedman, Mrs. Audrey Pomales, Mrs. Madeline Medina and Mr. Rubén López. They worked very hard, and in our appreciation, we are thankful for their dedication with our program.

We are still facing challenging times due to the Puerto Rico economic crisis, we have been hard pressed to keep the quality of our office, and we work hard and with enthusiasm to be one of the finest state plans in Region II.

We corrected all the findings of this report already, and we provide all the corrections in the Corrective Action Plan we present for the FY 2020 FAME report.

Thank you again for your hard work, support, and cooperation. I am available to answer any questions.

Sincerely,

Luis E. Pardo Rosado
Assistant Secretary
