

MEMORANDUM FOR: REGIONAL ADMINISTRATORS
STATE DESIGNEES

FROM: DAVID MICHAELS, PhD, MPH

SUBJECT: Appropriations Act: Replacement of Appendix A for CPL 02-00-051, Enforcement Exemptions and Limitations under the Appropriations Act

Attached is the most recent listing of the North American Industry Classification System (NAICS) codes for industries with a Days Away, Restricted, or Transferred (DART) occupational injury and illness rate below the national private sector rate of 1.7 for 2013. This new Appendix A to CPL 02-00-051, Enforcement Exemptions and Limitations under the Appropriations Act, contains the latest BLS occupational injury and illness rate data at the most precise industrial classification code. It will be added to the electronic version of CPL 02-00-051 on the OSHA Website. Appendix A will be effective on the date of this memorandum **for any inspection opened on this date or thereafter, until the next revision.**

Please note that if the CSHO discovers that the employer has 10 or fewer employees currently and at all times during the previous 12 months and the DART rate for the employer's primary NAICS is below the all-industry national average, the CSHO will not conduct an inspection. The NAICS coding system is very detailed and the CSHO should pay particular attention to the code being selected to ensure a correct decision is made.

For construction inspections, upon arrival at a worksite to conduct a programmed safety inspection, the compliance officer should ascertain as soon as practicable whether the appropriations rider exempts a particular contractor. Exempt contractors shall not be inspected. However, the inspection of other, non-exempt contractors on the worksite will proceed.

If you have any questions regarding the above, please contact the Office of General Industry and Agricultural Enforcement (202) 693-1850. In addition, for questions concerning the construction industry, please contact the Directorate of Construction at (202) 693-2020.
