UPA One Liner Detail
Receipt Date From 2/24/2020 To 4/6/2020

Purpose/Description

CAUTION: If you run this report for a date range of more than a few months and attempt to save it as a CSV, the report may not download. This is due to the large amount of data being compiled. If you attempt to run it and are unable to save it as a CSV, please contact the OIS help desk with the parameters you need the report run by.

This report provides a list of Unprogrammed Activities, including Complaints, Referrals, and Fatality/Catastrophes based on the selection of several prompts. The list will contain important details on each activity including the response times for these activities. Legacy cases are excluded.

This report will sort by RID, Activity ID and then Establishment Name.

Note:

- Activity Type is indicated by F for Fatality/Catastrophe, C for Complaint, and R for Referral in the Activity ID Column.
- Fatality/Catastrophes UPAs are indicated as Closed when saved Final and Marked as Inspection = N, or Marked as Inspection = Y and related Inspection entered and saved Final.
- For each UPA, the earliest inspection (the first one entered in the system) is displayed in the report.
- * New Prompt for Hazard and Location String Search allows users to get only those records with given search string. Enclose the search string by "%" sign in beginning as well as end e.g. to search for "forklift" the prompt value should be "%forklift%". Enter the search string/s (3 maximum) in lowercase only
