

ANNUAL ALLIANCE REPORT
U.S. Department of Labor
Occupational Safety and Health Administration
San Antonio Area Office
And
American Subcontractors Association San Antonio Chapter

April 24, 2015

I. Alliance Background

A. Date Signed

April 24, 2013

B. Evaluation Period

April 25, 2014 through April 24, 2015

C. Overview:

To provide OSHA training to small contractors in the construction industry and others with information, guidance, and access to training resources that will help them protect employees' health and safety, particularly in reducing and preventing exposure to occupational safety and health hazards such as heat stress, electrical, falls, struck-by, and caught-between hazards in the construction industry. This alliance provides educating small businesses on creating and having a safety/health program for their business.

In this alliance we will conduct safety and health training meetings with the small contractors and their workers. Classes and briefing include: workers' rights, employer responsibilities, employee responsibilities, heat stress prevention and recognition, preventing falls, and other hazards at the construction sites.
