

Occupational Safety and Health Administration
Nationally Recognized Testing Laboratory Program

Certificate of Recognition

Applied Research Laboratories of South, Florida LLC

with headquarters at:

5371 NW 161st Street
Miami Gardens, Florida 33014

is recognized by the Occupational Safety and Health Administration (OSHA) as meeting the requirements for a Nationally Recognized Testing Laboratory (NRTL) established under Section 1910.7 of *Title 29, Code of Federal Regulations*. This recognition is limited to testing and certification only within the current scope of recognition and is subject to all other terms set forth in the letter of recognition and in applicable *Federal Register* notices and as summarized on OSHA's website. This recognition continues in force beyond the "*Effective through*" date below provided the NRTL has filed a timely request for renewal with OSHA. For current recognition status and other recognition information, contact the OSHA NRTL Program or visit <https://www.osha.gov/dts/otpca/nrtl/>

April 25, 2023
Effective Through

Loren Sweatt
*Deputy Assistant Secretary of Labor for
Occupational Safety and Health Administration*
