Notification of Failure to Abate Alleged Violations

To:

Commander, Portsmouth Naval Shipyard

PWD Maine, BLDG 59

Portsmouth, NH 03804-5000

Original Inspection Number: 314960949

Original Inspection Date: 12/16/2010-12/28/2010

Inspection Number: 316357003

Inspection Date(s): 02/14/2012-02/14/2012

Issuance Date: 09/05/2012

Inspection Site:

175 Ridge Road

Cutler, ME 04626

After the original Inspection, a Notice of Unsafe or Unhealthful Working Conditions (Notice) was issued to you in accordance with the provisions of the Occupational Safety and Health Act of 1970 (the Act), the Executive Order 12196, and 29 CFR 1960, Basic Program Elements for Federal Employee Occupational Safety and Health Programs and Related Matters, notifying you of certain violations and the dates by which they were to be abated. Based upon reinspection, it is alleged that you have failed to abate the violation(s) listed below within the time prescribed. You are to notify the Area Director, in writing, of the dates and nature of the corrective action taken or develop an agreed-upon abatement plan showing a final compliance date, interim date(s) and steps to be taken towards compliance, and the measures to be taken to protect employees until abatement is achieved.

The Designated Agency Safety and Health Official (DASHO) has been furnished a copy of this Notification. If abatement is not achieved, this matter will be forwarded to the Occupational Safety and Health Administration's Regional Administrator for resolution at a higher level.

NOTICE TO EMPLOYEES OF INFORMAL CONFERENCE

An informal conference has been scheduled with OSHA to discuss the citation(s) issued on 09/05/2012 . The conference will be held at the OSHA office located at 382 Harlow Street, Bangor, ME, 04401 on _____ at _____. Employees and/or representatives of employees have a right to attend an informal conference.

Citation 1 Item 1

29 CFR 1910.106(e)(5)(v): All plant fire protection facilities were not adequately maintained and periodically inspected and tested to make sure they were always in satisfactory operating condition, and they would serve their purpose in time of emergency:

Fuel Farm/Pier - The two sea water pumps, supplying fire fighting water to the sea water reservoir, were not adequately maintained in a satisfactory operating condition.

WILLIAM J. COFFIN
Area Director
