

January 8, 2021

**MEMORANDUM FOR:** REGIONAL ADMINISTRATORS  
STATE DESIGNEES

**FROM:** AMANDA EDENS  
Deputy Assistant Secretary

**SUBJECT:** Appropriations Act: Replacement of Appendix A  
for CPL 02-00-051, Enforcement Exemptions and  
Limitations under the Appropriations Act

Attached is the most recent listing of the North American Industry Classification System (NAICS) codes for industries with a days away, restricted, or transferred (DART) occupational injury and illness rate below the national private sector average rate of 1.5 for 2019.

This new Appendix A to CPL 02-00-051, *Enforcement Exemptions and Limitations under the Appropriations Act*, contains the latest BLS occupational injury and illness rate data of the most accurate industrial classification codes. The appendix will be added to the electronic version of CPL 02-00-051 on the OSHA Website and becomes effective on the date of this memorandum for all inspections opened on this date or thereafter.

Compliance safety and health officers (CSHO) must verify if an employer's NAICS code is on the Appendix A list, and may not conduct a programmed safety inspection if the employer currently, and at all times during the previous 12 months, has 10 or fewer employees and the DART rate for the employer's primary NAICS is below the national private sector average. CSHOs must ensure the primary NAICS designation is the most applicable to the employer's operations prior to conducting inspections.

For construction inspections, upon arrival at a worksite to conduct any programmed safety inspection, the compliance officer should determine whether the appropriations rider exempts a particular contractor. Any exempt contractor shall not be inspected. However, CSHOs shall proceed to inspect other non-exempt contractors on the worksite.

If you have any questions regarding the above, please contact the Office of General Industry and Agricultural Enforcement at (202) 693-1850. In addition, for questions concerning the construction industry, please contact the Directorate of Construction at (202) 693-2020.

Attachment

## Appendix A

North American Industrial Classification System (NAICS) Codes for Industries with a Days Away, Restricted or Transferred (DART) Rate Less Than the National Average Rate of 1.5 for 2019 .
