Abstract-2

Major Changes:

This manual implements policies and procedures for Special Government Employee (SGE) activity conducted under the auspices of the Occupational Safety and Health Administration's (OSHA) Voluntary Protection Program (VPP). It provides the overall policy framework for Special Government Employee (SGE) activity and revises and clarifies the requirements to apply, receive training, and participate in the activities. The major changes are:

- State Plan States must sign a Memorandum of Understanding (MOU) with Federal OSHA if they wish to use Federal SGEs at State Plan State VPP sites.
- State Plan State VPP Managers wishing to use a federally trained SGE must follow the same procedures as other VPP Managers. These procedures can be found in Chapter 4.
- Individuals must complete and submit an application to participate as an SGE. SGEs must re-apply at the end of their term of service in order to continue participating. Renewal applications must be sent to SGEs during the application period prior to the expiration of their service.
- Applications to participate as a Special Government Employee (SGE) must be processed four times per year. Applications must be received in the Office of Cooperative Programs on or before January 15, April 15, July 15, or October 15 of each year. If the deadline falls on a weekend or a Federal holiday, applications are due on the first Federal business day following the deadline. Late applications are held until the next submission deadline.
- All new applicants must attend training. A new Special Government Employee (SGE) application must be approved by the OSHA Personnel Office before the applicant may be approved to attend training. Successful applicants must be notified by a **representative from the Office of Cooperative Programs regarding the date and location of training.**
- The term of service for Special Government Employee (SGE) is three years. SGE's serve at the pleasure of the Assistant Secretary for Occupational Safety and Health. Service is contingent upon the proper conduct of SGEs. The term of service for new SGEs begins the day the oath of office is administered. The term of service for renewing SGEs is calculated from the approval date of their application.
- Approved and trained SGEs are eligible to assist with VPP onsite evaluations from the day they take the oath of office until the end of their term of service. An SGE becomes ineligible upon the day that he or she leaves the employment of a VPP company or upon the day that company no longer retains VPP status.
- The Director of Federal-State Operations or his or her designee must disqualify those applicants whose employment or financial involvements may present a conflict of interest or the appearance of impropriety.

Executive Summary:

This manual implements policies and procedures for Special Government Employee (SGE) activities and provides the overall policy framework for SGEs activities. This manual revises the requirements to apply, receive training and participate in SGE activities, and clarifies the terms of service for Special Government Employees.

- V. Major Changes.
 - A. State Plan State Participation. A State Plan State must sign a Memorandum of Understanding (MOU) with Federal OSHA if they wish to use Federal SGEs at VPP sites in a State Plan State.
 - B. Soliciting Assistance from SGEs. State Plan State VPP Managers wishing to use a federally trained SGE must follow the same procedures as other VPP Managers. These procedures can be found in Chapter 4.
 - C. Application Requirement. Individuals must complete and submit an application to participate as a Special Government Employee. SGEs must re-apply at the end of their term of service in order to continue participating. Renewal applications must be sent to SGEs during the application period prior to the expiration of their service.
 - D. Application Deadline. Applications to participate as a Special Government Employee must be processed four times per year. Applications must be received in the Office of Cooperative Programs on or before January 15, April 15, July 15, or October 15 of each year. If the deadline falls on a weekend or a Federal holiday, applications are due on the first Federal business day following the deadline. Late applications are held until the next submission deadline.

- E. Training Requirement. All new applicants must attend training. A Special Government Employee application must be approved by the OSHA Personnel Office before the applicant may be approved to attend training. Successful applicants must be notified by a representative from the Office of Cooperative Programs regarding the date and location of training.
 - F. Term of Service. All SGEs are initially appointed to a three-year term of service. SGEs serve at the pleasure of the Assistant Secretary for Occupational Safety and Health. Service is contingent upon the proper conduct of SGEs. The term of service for new SGEs begins the day the oath of office is administered. The term of service for renewing SGEs is calculated from the approval date of their application.
 - G. SGE's Eligibility. Approved and trained SGEs are eligible to assist with VPP onsite evaluations from the day they take the oath of office until the end of their term of service. However, an SGE becomes ineligible upon the day that he or she leaves the employment of a VPP company or upon the day that company no longer retains VPP status.

- VI. Federal Program Change. This Instruction describes a Federal Program Change for which adoption is not required. However States that wish to use Federally-approved SGEs as members of VPP onsite review teams must enter into a Memorandum of Understanding (MOU) with Federal OSHA. See Appendix B for the approved Memorandum of Understanding.
- VII. Action Information.
- A. OSHA National Office.
 - 1. Directorate of Federal-State Operations. The Directorate of Federal-State Operations (FSO), through the Office of Cooperative Programs (OCP), Division of Voluntary Programs, is responsible for the nationwide coordination and administrative oversight of Special Government Employee activities. OCP is responsible for establishing the policies and procedures that govern the operation, monitoring, and evaluation of Special Government Employee activities. This Policies and Procedures Manual is the program's principal policy guidance document for SGE activity. The Division of Voluntary Programs is also responsible for providing Voluntary Protection Program support and assistance to the

Regions, States, and participants.

2. Directorate of Administrative Programs. The Directorate of Administrative Programs, through the Office of Personnel, is responsible for processing applications and submitting the application to the Executive Secretariat for final approval within four weeks of receipt from the Office of Cooperative Programs.

- B. OSHA Regional Offices. OSHA VPP Managers are responsible for contacting, recruiting, and encouraging interested VPP site employees to become SGEs, facilitating the oath of office ceremony for new renewing SGEs, scheduling SGE participation, requesting approval for SGE utilization from the SGE Coordinator, and submitting monthly reports to the National Office.

- C. States. States Plan States may choose to utilize Federally-approved SGEs to serve as members of a VPP onsite review team within the State. Qualified individuals from approved VPP sites in State Plan States may apply and be approved as SGEs through the Occupational Safety and Health Administration (OSHA).

In order to utilize SGEs, a State Plan State must sign a Memorandum of Understanding (MOU) with Federal OSHA accepting liability for SGEs while they serve in that State. A State may establish its own SGE activities, independent of OSHA, for training SGEs from VPP sites within the State to serve as members of a state VPP onsite review team.

VIII. A Brief History of the SGE Activity in OSHA.

- A. SGE activities were established in 1994 in order to leverage OSHA's limited resources by utilizing private sector safety and health professionals during VPP onsite evaluations.

- B. An SGE serves in the capacity of a Federal volunteer while he or she is assisting OSHA personnel during onsite evaluations. While at an onsite evaluation, an SGE is held to the same ethical and legal standards as a Federal or state government employee.

IX. How SGE Activities are Administered. SGE activities are administered in partnership between the Directorate of Federal-State Operations-Office of Cooperative Programs (OCP) and the VPP Managers.

- A. Office of Cooperative Programs. The SGE Coordinator receives and processes SGE applications, coordinates quarterly training sessions with Regional staff, evaluates and approves requests for SGE usage, and conducts oversight of SGE

activities. The SGE Coordinator provides administrative and programmatic support to SGEs during the application, training, and re-application process; provides quarterly updates of approved SGEs and their contact information; and collects monthly data on SGE usage.

- B. VPP Managers. VPP Managers coordinate with SGEs to secure assistance at onsite evaluations, request approval for SGE participation, help renewed SGEs, coordinate administration of the oath of office, and reporting monthly SGE usage to OCP.

X. Definitions.

- A. Application Deadline. The quarterly deadline by which the SGE Application must be received in the Office of Cooperative Programs in order for it to be processed and the applicant considered for participation.
- B. Assistant Secretary. The Assistant Secretary of Labor for Occupational Safety and Health.
- C. New SGE. An individual who has not previously applied to participate as an SGE or who has experienced a lapse of service of more than one year.
- D. Oath of Office. The oath required of all employees who enter Federal service.
- E. Renewing SGE. An individual who is presently serving as an SGE or who is re-applying after a lapse of service of less than one year.

- I. Special Government Employee Usage Request. The written request asking for approval to use a specific SGE at a specific onsite evaluation(s).

Chapter 3

SGE Training, Oath of Office and Terms of Service

I. SGE Training.

- A. Eligible Trainees. Priority for attending SGE training goes to private sector employees who meet the required SGE qualifications outlined in Chapter 2, have submitted an application by the quarterly deadline, have been approved by the OSHA Office of Personnel, and have been invited to attend training by the Director, Office of Cooperative Programs. Municipal, State, and Federal government employees may attend SGE training only after all private sector employees' training needs have been met for the quarter.
- B. Training Notification. The SGE Coordinator must send applicants written notice of where to report for training no later than nine (9) weeks after the application deadline. Renewing SGEs need not attend SGE training unless notified by the SGE Coordinator.
- C. Training Frequency. SGE training is conducted each quarter unless there are fewer than 15 trainees, in which case training is postponed until the next scheduled training period. The total number of trainees in any one session may not exceed 25 unless approved by the Director, Office of Cooperative Programs. If more than 25 applicants require training within one quarter, the applicants must be accommodated on a first-come, first-served basis.
- D. Training Responsibilities. The SGE Coordinator has primary responsibility for organizing this training, with assistance from a VPP Manager. Instructors must be identified based on the needs of the trainees and the geographic location of the training. The lead instructor may request assistance from experienced SGEs, Compliance Safety and Health Officers (CSHOs), Compliance Assistance Specialists, Consultation staff, Regional or Local VPPPA Chapter members, or other knowledgeable persons.
- E. Training Content. Training content must be determined by the Director, Office of Cooperative Programs, with assistance from VPP Managers. Modifications to the training content must be approved by the Director, Office of Cooperative Programs before being implemented.

- II. Oath of Office. SGEs may not participate on an onsite evaluation until they have taken the Federal oath of office administered by an OSHA appointing official empowered by the head of the agency under the authority of 5 U.S.C. 2903. OSHA appointing officials include the Assistant Secretary, Deputy Assistant Secretaries, Regional Administrators, Heads of Directorates, Director of the Office of Cooperative Programs, Office of the Assistant Secretary for Administration and Management (OASAM) Regional Personnel Officers, and Area Directors, or a designated deputy who is temporarily acting for one of the officials listed above.
- A. Oath of Office for New SGEs. The oath of office must be administered to new SGEs on the last day of training. The VPP Manager is responsible for organizing and securing an appointing official to administer the oath of office.
- B. Oath of Office for Renewing SGEs. The VPP Manager is responsible for coordinating a suitable time and place for an appointing official to administer the oath of office to renewing SGEs.
- C. Appointment Procedures. Each individual may elect either to “swear” or “affirm” the oath of office. An American flag must be present. The appointing official must meet the qualifications as described above.
1. The appointing official must ascertain if the appointee elects to swear or affirm to this affidavit. If the individual wishes to affirm the oath, then the words “So help me God” in the oath and the word “swear” should be stricken wherever these words appear. Only these words may be stricken and only when the appointee elects to affirm the affidavit.
 2. The appointing official must ask all persons present to rise for the administration of the oath of office. The appointing official must stand facing the appointee(s) with the American flag between them and instruct the appointee(s) to raise his or her right hand. The appointing official must read the oath of office in short phrases, waiting for the appointee to repeat each phrase before proceeding to the next.
 3. When the administration of the oath of office is complete, the appointing official must complete and sign the appointment. The position of appointment must be “Special Government Employee.”
- D. SGE Appointment Affidavits. An Appointment Affidavits (SF-61) must be completed for each SGE who takes the oath of office. The SGE and the appointing official must both sign the form after the oath of office has been administered. (A copy of the Appointment Affidavits (SF-61) may be downloaded from the Internet at: <http://www.opm.gov/forms/html/sf.htm>.)

After the Appointment Affidavits has been signed by both parties, the VPP Manager or the appointing official is responsible for sending the original signed appointment affidavits to:

OSHA Office of Personnel
ATTN: SGE Officer
Frances Perkins Bldg., Room N 3308
200 Constitution Ave., NW
Washington, D.C. 20210

- III. SGE Term of Service. All SGEs are initially appointed to a three-year term of service. SGEs serve at the pleasure of the Assistant Secretary for Occupational Safety and Health. Service as an SGE is contingent upon proper ethical conduct.
- A. New SGEs. The term of service for new SGEs must be calculated from the date that they successfully complete SGE training and take the oath of office.
 - B. Renewing SGEs. The term of service for renewing SGEs must be calculated from the date their application is approved by the Office of Personnel.
 - C. Termination of Service. Service as an SGE must be terminated without notice by the Agency if the conditions in Chapter 2 of this Policies and Procedures Manual under which the SGE was originally appointed no longer apply. If the OSHA or State Plan State team leader has evidence of, or determines that an SGE is not conducting himself or herself in a proper manner during a VPP onsite evaluation, they must ask the SGE to leave the worksite immediately. The VPP Regional Manager, Regional VPP Officer, or State Plan State VPP Manager must provide information about the incident to the Director of Federal-State Operations and recommend that the SGE's term of service be terminated.
 - D. SGE Duties. SGEs function as members of a VPP onsite team. SGE assignments may include, but are not limited to, the following activities:
 - 1. Reviewing company documents that describe or verify the worksite's safety and health management system
 - 2. Conducting a walkaround of the worksite to ensure the site's safety and health management system is operating effectively
 - 3. Interviewing employees of the company and contractors to determine their level of involvement in and perceptions of the worksite's safety and health management system

4. Assisting in the preparation of a report that evaluates the worksite's safety and health management system with respect to VPP criteria

Chapter 4

SGE Utilization and Reporting

I. Utilization of SGEs.

- A. Soliciting Assistance from SGEs. VPP Managers, VPP Officers and State Plan State VPP Managers must solicit assistance from SGEs directly.
1. Soliciting Approved SGEs. Only those individuals listed on the Report of Approved SGEs may be solicited. Once an SGE has agreed to participate in the onsite review, the VPP Manager, VPP Officer, or State Plan State VPP Manager must request permission from the SGE Coordinator to utilize that SGE.
 2. Site Concurrence in Utilizing SGEs. The VPP Manager, VPP Officer, or State Plan State VPP Manager must inform the employer that an SGE will be used as a member of the VPP onsite team and the employer must agree with this arrangement.
- B. Composition of OSHA or State Plan State Review Team. VPP Onsite Evaluation Teams must include at least one full-time OSHA or State employee serving in the capacity of Team Leader. SGEs may not outnumber full-time OSHA or State employees as members of a VPP Onsite Evaluation Team by more than one (1).

Additionally, SGEs may not serve as Team Leaders or Backup Team Leaders. If a full-time OSHA or State Employee is unable to serve as Team Leader, the VPP Onsite Evaluation must be postponed.

Acceptable VPP Onsite Evaluation Team Configurations

If A VPP Onsite Evaluation Team Includes	Then
1 full-time OSHA or State employee	up to 2 SGEs may be on Team.
2 full-time OSHA or State employees	up to 3 SGEs may be on Team.
3 full-time OSHA or State employees	up to 4 SGEs may be on Team.
4 full-time OSHA or State employees	up to 5 SGEs may be on Team.

- C. Requesting an SGE. Requests for SGEs must be submitted to the SGE Coordinator no later than four weeks prior to the scheduled onsite evaluation.

Late requests may be approved on a case-by-case basis. Requests must be e-mailed. Requests must include the following information:

1. The full name and company of the SGE requested
2. The company name, city, and state of the worksite that is being evaluated
3. The date and expected duration of the onsite evaluation

D. Approval and Notification.

1. The SGE Coordinator reviews requests for SGEs and approves or denies those requests. The SGE Coordinator may deny a request for an SGE based on the following criteria:
 - a. Information in the request is incomplete
 - b. The requested SGE is not yet approved, or his or her term of service has expired
 - c. Participation of the requested SGE at the scheduled worksite is considered to be a financial conflict of interest or presents the appearance of impropriety
2. The SGE Coordinator must respond to a Request for an SGE via e-mail. If a request is denied, the SGE Coordinator must make a reasonable attempt to assist Regional or State Plan State staff in finding a replacement SGE in time for the evaluation.

II. SGE Utilization Reports.

- A. National Office Reports. Reports issued by the National Office are sent to the VPP Managers and copied to the Chief of Voluntary Programs and the Director of the Office of Cooperative Programs.
 1. Report of Approved SGEs. This report lists all available approved SGEs and is provided to the VPP Managers on a quarterly basis.
 2. Annual Usage Report. This report lists all SGEs that were utilized during the previous fiscal year. It is provided to the VPP Managers by December 1st of each year.

- B. Regional Office Reports. VPP Managers must submit a Monthly SGE Utilization Report to the SGE Coordinator by the fifteenth of the following month. This report must include all SGEs utilized in the Region by Federal OSHA and State Plan States. See Appendix A for a sample Monthly Report. In months where SGEs are not utilized, no report is required to be submitted.

Chapter 5

Application Processing and Program Administration

I. Application Processing.

A. Receipt of Applications. The SGE Coordinator is responsible for tracking and managing each SGE's application from the time it is received until the SGE has taken the oath of office. When an application is received, the SGE Coordinator must date stamp it, determine whether the required information is included, and file it in the appropriate application file.

1. Evaluating the Application. The application must contain the following completed forms:

- a. Eligibility Information Sheet
- b. Request for Name Check (DL Form 1-68)
- c. Optional Application for Federal Employment (OF-612) or Resume
- d. Confidential Financial Disclosure Report (OGE-450)
- e. Waiver of Claims Against the Government

The SGE Coordinator must verify that Section 8 (Work Experience) of the applicant's Optional Application for Federal Employment (Form OF-612) or their Resume contains position-specific safety and health experience. If the OF-612 or the resume does not include position-specific information, the SGE Coordinator must contact the applicant and request that they send information that satisfies this requirement.

2. Verifying all Required Signatures and Social Security Number (SSN). The Applicant must sign and date the Optional Application for Federal Employment (OF-612), the Confidential Financial Disclosure Report (OGE-450) and the Waiver of Claims Against the Government. If an applicant does not sign one of these forms, the SGE Coordinator must receive, at a minimum, a fax or photocopy of a signed original. The applicant must provide their SSN. If the applicant does not provide their SSN, the SGE Coordinator must contact the individual, secure the SSN and record it on the OF-612 or on their resume.

B. Preparing the Application Submission Package.

1. Confidential Financial Disclosure Report. The SGE Coordinator must separate the Confidential Financial Disclosure Report (OGE-450) from the

rest of the application. This information is confidential and must not be submitted to the Office of Personnel or discussed with any other staff member.

2. Application Processing (SF-52) Checklist. The SGE Coordinator must print the Application Processing (SF-52) Checklist, located on the DFSO server at: *Q:\fso\VPPDATA\SGE\SGE s Streamlining Project\Application Processing (SF-52) Checklist.wpd* and complete the checklist, verifying that all forms are attached.
 3. Consolidate the Application Submission Package. After verifying that all forms are completed and attached to the Application Processing (SF-52) Checklist, the SGE Coordinator must sign and date the form, make one photocopy, and submit the application submission package to the FSO Office Manager for processing.
 4. Obtain Signatures for the Application Submission Package. After the SF-52 has been completed by the FSO Office Manager, the SGE Coordinator must obtain signatures from the Director of the Office of Cooperative Programs and the Director of Federal-State Operations.
 5. File the Completed Application Submission Package. After the SF-52 has been signed, the SGE Coordinator must attach the Confidential Financial Disclosure Report (OGE-450) to the original application packet, attach these documents to the completed application submission package, and file the entire package in the corresponding quarterly submission file until the application deadline date.
- C. Transmitting Completed Application Submission Packages to the Office of Personnel. The SGE Coordinator must transmit all the completed application submission packages as soon after the application deadline as possible. See Appendix C, page C-1, for the memorandum for transmitting the packages. The memorandum must include the full name of each applicant submitted.
- D. Notification of Application Receipt and Processing. As soon as the application submission packages are transmitted to the Office of Personnel, the SGE Coordinator must notify all applicants via e-mail that their applications have been submitted. See Appendix C, page C-2, for the e-mail for notifying applicants. The SGE Coordinator must also provide the applicants with the location and dates of training.
- E. Providing Approval Notification and Training Invitation to all Prospective SGEs. When the approved application packages are returned from the OSHA Office of Personnel, the SGE Coordinator must notify the approved new SGEs and invite

them to attend training. See Appendix C, page C-3, for the letter for approval notification and training invitation. The SGE Coordinator must send the renewing SGE the appointment notification letter described in the paragraph below.

- F. Preparing SGE Training Certificates and Appointment Affidavits. The SGE Coordinator must, with the assistance of the FSO Office Manager, prepare the SGE training certificates. After the certificates are prepared, the SGE Coordinator must transmit them to CCU in preparation for being signed by the Assistant Secretary of Labor. See Appendix C, page C-4, for the training certificate transmittal memorandum. The SGE Coordinator must also prepare appointment affidavits for each prospective SGE. Signed training certificates and appointment affidavits must be completed prior to the beginning of training and must be sent to the training site with the designated National Office trainer.
- G. Appointment Notification and CEO Thank You Letters. The SGE Coordinator must send the appointment notification letter to renewing SGEs and prospective SGEs ten days after approval. If the SGE applicant indicated that a CEO thank you letter should be sent, the SGE Coordinator must send one within 15 working days after the appointment notification letter. See Appendix C, pages C-5 and C-6, for the appointment notification letter and the CEO thank you letter.

II. SGE Program Administration.

- A. Re-Application by SGEs. The SGE term of service is three years. Four to six months before an SGE's term of service expires, the SGE Coordinator must send the SGE a re-application package. The re-application process is identical to the original application process detailed in Chapter 2. See Appendix C, page C-7, for the SGE re-application letter.
- B. Customer Service to SGE Applicants. The SGE Coordinator's most important responsibility is customer service. Each SGE applicant must be treated as an individual and as a vital Agency resource. The SGE Coordinator must be responsive to all inquiries regarding the SGE Program, even if the end result is that the enquiring individual is not qualified to participate in the program.
- C. Customer Service to and VPP Managers/Officers. The SGE Coordinator must be responsive to VPP Managers/Officers and respond to requests for SGEs within ten working days after receipt.
- D. Customer Service to Office of Personnel. The SGE Coordinator must work closely with the Office of Personnel. The SGE Coordinator must assist with verifying application information and contacting the applicants if additional experience or other data is necessary to process and approve the application.
- E. SGE Data Management.

1. Contact and Experience Data. The SGE Coordinator must enter all of the data from each Application Submission Package into the SGE Coordinator database before it is transmitted to the Office of Personnel.
 2. SGE E-mail Addresses. After each prospective SGE has been approved and taken the oath of office, the SGE Coordinator must submit their e-mail addresses to the Office of Management Data Systems to be added to the SGE e-mail listing. If an SGE no longer meets the SGE Qualifications, the SGE Coordinator must immediately remove his or her name and e-mail address from the e-mail listing. The SGE Coordinator must test the e-mail distribution list at least twice per year to determine that all of the addresses are accurate.
 3. Modifications to SGE E-mail Addresses. It is the responsibility of the SGE to provide the SGE Coordinator with any modifications to his or her e-mail address in a timely manner.
 4. Failure to Notify the SGE Coordinator of E-Mail Changes. If the SGE Coordinator attempts to contact an SGE via e-mail and receives an “invalid e-mail address” error message, the SGE Coordinator must make two more attempts to send the message. If both attempts fail the SGE Coordinator must attempt to contact the SGE via mail and telephone. If the SGE does not respond within 30 days of these attempts, the SGE Coordinator must terminate the SGE’s term of service.
 5. Requested Onsite Participation Data. When an SGE is approved to participate on an onsite evaluation, the SGE Coordinator must enter the information into the Requested Onsite Participation block in the SGE Database as soon as possible.
 6. Removing an SGE from the Active List. If an SGE no longer meets the SGE Qualifications, the SGE Coordinator must immediately enter that day’s date in the Appointment Expiration block of the SGE Database.
- F. Planning and Coordination of Training. The SGE Coordinator is responsible for initiating the planning process for SGE training. The date and location need not be determined prior to the application deadline corresponding to that training session, but must be determined prior to sending the approval notification and invitation to training letter.
1. Networking with VPP Managers. The SGE Coordinator should discuss the timeframes for upcoming training sessions with the VPP Managers and encourage them to host the event or to work with a VPP site in their Region to host the training event.

2. Confirming Regional Training Offers. The SGE Coordinator must officially confirm any SGE training with the Regional Administrator and Assistant Regional Administrator. See Appendix C, page C-8, for the training confirmation memorandum.
3. Coordinating Training with a VPP Site or Regional VPPPA Chapter. If a VPP site or Regional VPPPA chapter offers to host a training, the SGE Coordinator must first discuss the offer with the VPP Manager. The SGE Coordinator must not accept the offer before the VPP Manager determines if this arrangement is acceptable and if the Region will be able to provide the necessary training resources.
4. End of Training. After training has concluded, the SGE Coordinator must send the training host a thank you letter. See Appendix C, page C-9, for the training host thank you letter.
5. Postponement of SGE Training. If less than 15 applications are received by the Application Deadline, training must be postponed until the next quarter. The SGE Coordinator must send the SGE training postponement letter to all of the applicants who have submitted an application within that application period. See Appendix C, page C-10, for the SGE training postponement letter.
6. Deferral of Training by an SGE Applicant. Occasionally, an SGE applicant will be unable to attend the SGE training when it is scheduled, in which case he or she may defer training until the next training session. The SGE Coordinator must consider a deferred application as one received during the current application period. In the event that there are more than 25 applications received during the application period, the original submission date of the deferred application must be used to determine its order in the first-come, first-served training selection criteria.

Dear Mr./Ms.[Last Name]:

It gives me great pleasure to inform you that you have been approved as a Voluntary Protection Program (VPP) SGE. Your name has been placed on the list of available SGEs that is provided to OSHA Regional VPP Managers for scheduling onsite evaluations. When a manager needs help conducting an onsite review, that manager will contact you to see if you are available. Additionally, that manager will contact the SGE Coordinator to ensure that no financial conflict of interest exists between you and the site being reviewed.

Before participating in an onsite evaluation, you must be sworn in for your term as an SGE. If you are a new SGE you were probably sworn-in at the end of your training course. However, if you have not been sworn-in, or if you are a renewing SGE, please contact your Regional VPP manager for assistance.

Your term of service began on_____. Please remember that your term of service will expire three years from that date. About four to six months before your term of service expires the SGE Coordinator will send you a re-application package. If you choose to re-apply, please complete the application and return it to the SGE Coordinator before the deadline.

Thank you for your willingness to assist OSHA in reducing injuries and illnesses at American worksites.

Dear Mr./Ms. [CEOLNam]

I would like to take this opportunity to personally thank you for your support of the Occupational Safety and Health Administration's Voluntary Protection Program (VPP). You and your employees have already proven your commitment to workplace safety and health by participating in OSHA's VPP. Now you have decided to go a step further by encouraging [FirstNam] [LastNam], [Title] at your [City] facility, to serve as an SGE.

SGEs are very important to the success of the VPP. As members of OSHA's VPP onsite review teams, SGEs provide a unique point of view for both the managers and employees of an aspiring VPP worksite. SGEs like [LastNam] bring hands-on experience and cutting-edge solutions to prospective VPP participants and demonstrate that their company, your company, has dedicated itself to implementing a comprehensive and effective safety and health management system.

Through your willingness to dedicate these valuable human resources [CEOCompany] lends credence to the VPP Program as a whole. Not only do SGEs develop an effective working relationship with OSHA personnel, but prospective VPP participants benefit from receiving open and honest feedback from their corporate peers. This level of professional interaction and bench marking is only possible through the labor, management and government cooperation afforded by the Voluntary Protection Program.

By encouraging your employees to serve as SGEs, you help me and my OSHA staff to better protect America's workers. Thank you again for participating in this valuable enterprise.

Sincerely,

John L. Henshaw
Assistant Secretary

A renewal application will be sent to each SGE during the application period prior to the expiration of their service.
- Applications to participate as an SGE are processed four times per year. Applications must be received in the Office of Cooperative Programs on or before, January 15, April 15, July 15 or October 15 of each year. INSTRUCTIONS FOR OGE FORM 450, CONFIDENTIAL FINANCIAL DISCLOSURE REPORT

A. Why You Must File

This report is a safeguard for you as well as the Government. It provides a mechanism for determining actual or potential conflicts between your public responsibilities and your private interests and activities. This allows you and your agency to fashion appropriate protections against such conflicts.

B. Who Must File

Agencies are required to designate positions at or below GS-15, O-6, or comparable pay rates, in which the nature of duties may involve a potential conflict of interest. Examples include contracting, procurement, administering, grants and licenses, regulating/auditing non-Federal entities, other activities having a substantial economic effect on non-Federal entities, or law enforcement.

All special Government employees (SGEs) must file, unless exempted by their agency or subject to the public reporting system. Agencies may also require certain employees in positions above GS-15, O-6, or comparable pay rate to file.

C. When to File

New entrant reports: Due within 30 days of assuming a position designated for filing, unless your agency requests the report earlier. No report is required if you left another filing position within 30 days prior to assuming the new position. (SGEs must file new reports upon each reappointment or re-designation, at the time specified by the agency.)

Annual reports: Due not later than October 31, unless extended by your agency.

D. Reporting Periods

New entrant reports: The reporting period is the preceding twelve months from the date of filing.

Annual reports: The reporting period covers October 1 through September 30 (or that portion not covered by a new entrant report). However, no report is required if you performed the duties of your position for less than 61 days during that twelve-month period. (All reappointed or re-designated SGEs file reports, regardless of the number of days worked.)

E. Where to File

With ethics officials at the agency in which you serve or will serve, or in accordance with their procedures.

F. Definitions

Dependent Child- means your son, daughter, stepson, or stepdaughter if such person is either:

- (1) unmarried, under age 21, and living in your household; or
- (2) a "dependent" of yours for Federal income tax purposes. See 26 U.S.C. 152.

Honoraria-means payments (direct or indirect) of money or anything of value to you or your spouse for an appearance, speech, or article, excluding necessary travel expenses. Also included are payments to charities in lieu of honoraria.

Special Government Employee (SGE)- is defined in 18 U.S.C. 202(a) as: an officer or employee of an agency who performs temporary duties, with or without compensation, for not more than 130 days in a period of 365 days, either on full-time or intermittent basis.

G. General Instructions

1. Filers must provide sufficient information about outside interests and activities so that ethics officials can make an informed judgement as to compliance with applicable conflict of interest laws and standards of conduct regulations.
2. This form consists of five parts, which require identification of certain specific financial interests and activities. NO DISCLOSURE OF AMOUNTS OR VALUES IS REQUIRED. You must complete each part (except as indicated for Part V) and sign the report. If you have no information to report in any part or do not meet the threshold values for reporting, check the "None" box. New entrants and SGEs are not required to complete Part V.
3. You must include information applicable to yourself, your spouse, and dependent children on Parts I, II and V. This is required because their financial interests are attributed to you under ethics rules in determining conflicts of interest. Information about your spouse is not required in the case of divorce, permanent separation, or temporary separation with the intention of terminating the marriage or permanently separating. Parts III and IV require disclosures about yourself only.
4. You may distinguish any entry for a family member by preceding it with S for spouse, DC for dependent child, or J for jointly held.

Part I: Assets & Income

1. Report all assets held for investment or for the production of income by **you, your spouse, and dependent children**, with a value greater than \$1,000 at the end of the reporting period which produced more than \$200 in income during the reporting.

2. For publicly available **mutual funds**, you are only required to indicate the name of the fund, not the investments that the mutual fund holds in its portfolio. - l.) Employees shall satisfy in good faith their obligations as citizens, including all just financial obligations, especially those such as Federal, State, or local taxes that are imposed by law.

m.) Employees shall adhere to all laws and regulations that provide equal opportunity for all Americans regardless of race, color, religion, sex, national origin, age, or handicap.

Section 102. *Limitations on Outside Earned Income.*

a.) No employee who is appointed by the President to a full-time noncareer position in the executive branch (including the full-time noncareer employees in the White House Office, the Office of Policy Development, and the Office of Cabinet Affairs), shall receive any earned income for any outside employment or activity performed during the Presidential appointment.

b.) The prohibition set forth in subsection a.) shall not apply to any full-time noncareer employees employed pursuant to 3 U.S.C. 105 and 3 U.S.C. 107(a) at salaries below the minimum rate of basic pay than paid for GS-9 of the General Schedule. HOW TO KEEP OUT OF TROUBLE:

A SUMMARY OF ETHICS RULES FOR DOL EMPLOYEES¹

Introduction

The purpose of this summary is to briefly describe a number of ethics rules which are applicable to all DOL employees. It also covers several related matters which may arise while you are an employee at the Department.

The world of ethics is a very complex one. The purpose of this mini-guide is to help you recognize some potential trouble spots that may arise during your service with the Department. This guide should not be regarded by you as definitive or comprehensive. The resolution of many problems often depends on the specific facts involved. That is why you are encouraged to seek the advice of an ethics counselor when the situations described in this guide arise.

The legal bases for the requirements described in this guide are numerous and varied. Many of the requirements are statutory, and persons who violate them are subject to criminal penalties which may include removal from Federal office, fines, and imprisonment. Others are contained in Executive orders, such as the Executive order signed by President Clinton on post-employment lobbying. Still others are the subject of government-wide regulations issued by the U.S. Office of Government Ethics (OGE). These OGE regulations set forth the basic code of conduct for all Federal employees and are a starting point for resolving many ethics-related questions. All employees are given copies of these regulations and are obligated to be familiar with their provisions. The Department of Labor also has its own regulations and internal policies for a number of the areas described in this summary.

Awareness of Ethics Requirements. There are several ways to ensure that you are fully aware of your responsibilities in this area. First, you should review the government-wide ethics regulations at an early point in your tenure and attend ethics training when it is required. Most employees receive ethics training shortly after their arrival on duty at the Department. Additionally, if you are required to file a public financial disclosure report you are required to receive a "live" briefing on an annual basis. Employees required to file a confidential financial disclosure report are required to attend a "live" ethics briefing every three years. The Department will also provide written ethics materials to confidential financial disclosure filers during the years that "live" attendance is not required. [Note: Your personnel office will notify you as to whether you are required to file a public or confidential financial disclosure report.]

In addition, ethics training may also be provided upon the request of an office. Finally, you are strongly encouraged to ask questions whenever you have questions about ethics-related matters. Especially in this area, "preventive medicine" is the best course of action to avoid embarrassment to the you, the Secretary, and the Department. Advice in the areas described in this memorandum can be obtained from the Office of the Solicitor. If you have any questions, please call David J. Apol, the Counsel for Ethics, Robin Evans, or Paula Lincoln, in the Solicitor's office, at (202) 219-8065.

“Warranties and Limitations” This document is designed to be a basic, "user-friendly" guide to ethics. It is not an independent regulation, and does not supersede any of the legal authorities described above. Hopefully, this guide will be a useful starting point to recognizing and dealing with potential pitfalls.

Gifts

¹Prepared by the Department of Labor, Office of the Solicitor, January 1999.

Employees cannot accept gifts given to them because of their official position or from "prohibited sources." "Gifts" include free meals, admission to events, and travel, as well as tangible gifts. The term "prohibited source" means any organization or person employed by an organization which:

- is seeking official action by the employee's agency;
- does business or seeks to do business with the employee's agency;
- conducts activities regulated by the employee's agency; OR
- has interests that may be substantially affected by the performance or non-performance of an employee's official duties.

Due to the fact that Department of Labor programs are so far reaching, this term includes almost every business entity. Through OSHA, Wage-Hour, OFCCP, ERISA, MSHA, and other enforcement programs, the Department regulates virtually every employer in the country. The Department of Labor's supplemental regulations define who is an employee's "agency". For some employees, their agency is all of DOL. For employees in OSHA, MSHA, BLS, ETA, and ESA, their agency is defined to be the DOL component where they work. This concept will be covered further in the "live" ethics training you will receive.

As a Department of Labor employee, you should remember that even the appearance of favoritism or impropriety can cause embarrassment to both you and the Department. Such an appearance can be created where a gift is accepted even if acceptance does not affect how you perform your official duties.

There are exceptions to the gift prohibition. These generally allow an employee to accept:

- any unsolicited non-cash gift that does not exceed \$20 in market value on any one occasion, and not more than an aggregate amount of \$50 per year from any one source,
- gifts clearly based on a personal relationship,
- free admission to (including food at) events at which you are speaking or to "widely attended gatherings" when it is determined to be in your agency's interest for you to attend,
- gifts based on outside business or employment relationships, and
- commercial discounts available to a wide class of people.

Gifts to supervisors are regulated as well. Most gifts to supervisors are prohibited. You may, however, exchange greeting cards with supervisors and subordinates. You may also, in general, give to your superiors or accept from your subordinates occasional gifts on appropriate occasions costing less than \$10, and food to be shared within your office or in a personal residence. Also, appropriate voluntary gifts (even if they exceed \$10) may be given or accepted on infrequently occurring events, such as marriage, illness, the birth of a child, or retirement.

Travel and Related Expenses

As a general rule, the travel and related expenses associated with the exercise of your official duties should be paid for by appropriated funds. However, in certain limited and exceptional circumstances, an agency head or the Deputy Secretary may authorize acceptance of travel and related expenses if an unsolicited offer is received from certain types of organizations.

An Assistant Secretary or other head of a DOL agency may authorize approval of acceptance of travel and related expenses under the Government Employees Training Act. This authority allows the agency head to approve acceptance of certain expenses incident to attendance at training sessions or meetings. Approval may only be given to accept expenses from nonprofit and tax-exempt ["501(c)(3)"] organizations and expenses paid from the treasury of a state, county, or municipality. Agency heads may not approve acceptance of these expenses where approval would create the appearance of favoritism or undue influence or if it would be otherwise unethical or improper to do so.

Additionally, the Assistant Secretary for Administration and Management may approve the acceptance, by an agency

head, of travel and related expenses from 501(c)(3) organizations, government entities, and foreign entities so that an agency employee may attend a meeting or similar function. Official approval must be given in advance of the trip; accordingly, any such request should be made well in advance of the travel.

Conflicting Financial Interests

A criminal statute prohibits your personal and substantial participation, in an official capacity, in any particular matter which, to your knowledge, will have a direct and predictable effect on your financial interests, or those of your spouse, minor children, general partner, or an organization for which you serve as a employee, director, or partner.

A "particular matter" does not necessarily have to involve specific parties. It can include rulemaking or a policy matter which affects a clearly identifiable class of people, as well as a specific investigation or enforcement action. Thus, you should seek the advice of an ethics counselor if your position requires you to take actions on matters affecting a specific company if you own stock in the company affected, or affecting a specific industry if you own stock in a company within the industry affected. The counselor can provide assistance to you in divesting a conflicting financial interest, arranging your disqualification from participating in the particular matter, or requesting a waiver to allow your participation. Office of Government Ethics regulations exempt certain small stock holdings (under \$5,000) and holdings in diversified mutual funds from these requirements.

Seeking Other Employment

You are prohibited from taking official action affecting the financial interests of any organization or individual with whom you are seeking or negotiating employment or with whom you have any arrangement concerning prospective employment. For example, if you are approached about possible future employment with a company which you affect in the performance of your official duties, you must unconditionally terminate all discussions of possible employment and reject the possibility of employment prior to any further involvement in the matter. If you wish to explore the possibility of future employment with such a company, you should discuss the matter with your supervisor so that other options can be considered. These might include disqualification from further participation in the assignment or an appropriate waiver under the conflict-of-interest laws or ethics regulations. If you are involved in selecting a contractor and are approached about future employment by one of the potential contractors, special rules apply. Therefore, you should immediately contact the Solicitor's office for additional guidance.

Impartiality in Performing Official Duties

In addition to the restrictions subjecting you to criminal sanctions in the previous two sections, you are responsible for avoiding situations in which your actions may create the appearance of impropriety. Taking action on a matter could create an appearance of impropriety even if it does not affect your financial interest or that of your spouse, dependent child, or a company which employs you or from which you seek employment. Your actions could create an appearance of impropriety if, for example, you were involved in a "particular matter involving specific parties" (e.g., a case, investigation, adjudication, or administrative ruling) which will affect the financial interest of:

- any organization or person with whom you have or are seeking a business or other financial relationship;
- any member of your household or a relative with whom you have a close personal relationship;
- those with whom your spouse, parent, or dependent child has or is seeking to establish certain employment or business relationships;
- any person with whom you have been employed or have had certain business relationships in the past year;
OR
- any organization, other than a political party, in which you are actively involved.

The key test for determining if participation in a particular matter creates the appearance of impropriety is whether in your judgment, reasonable persons with knowledge of the relevant facts would question your impartiality in the matter. If you believe that your actions would be questioned, you should not participate in the matter without proper

authorization. The Office of the Solicitor should be consulted for advice in such instances.

Misuse of Position; Sponsorship and Co-Sponsorship of Outside Organizations

You are prohibited from using public office for your own private gain or the private gain of another. Therefore, you should generally not endorse any product, service, organization, or enterprise in an official capacity. A frequent question that arises is whether the Department can co-sponsor conferences and other events with non-governmental entities. However meritorious these events or organizations may be, Department employees must be very cautious about lending the Department's name or seal to them and should consult with the Office of the Solicitor to make sure the relationship does not violate any law or policy.

Similarly, you may not engage in fund-raising in your official capacity unless such action is specifically authorized as in the case of the Combined Federal Campaign. Moreover, you should not allow your official title to be used for private fund-raising activities. Finally, you should not personally solicit from people or organizations you know to be regulated by or are seeking action from your DOL component, or that have an interest in your official duties. Employees of certain DOL components may solicit from people regulated by their component so long as the person or organization is not being investigated by, or has a matter pending before, their component.

Ethics rules severely restrict the use of non-public information to further an employee's own or another person's private interests. Disclosure of non-public information related to government contracts or trade secrets can also result in criminal penalties. "Non-public information" is information that the employee gains by reason of his or her Federal employment and that the employee knows, or reasonably should know, has not been made available to the general public.

Outside Activities

Outside activities may create conflicts of interest where your official responsibilities have an impact on organizations with which you are involved. This is especially true when you are an officer, director, trustee, or an employee of an outside organization. Additionally, you must take special care to avoid the appearance that your involvement implies Department of Labor endorsement of a group or organization. Additionally, the criminal conflict-of-interest statute, with very limited exceptions, prohibits you from engaging in representational activities on behalf of any individual before the United States government. Consequently, outside of your official duties, in general, you should not call or write any Federal official on behalf of any individual or organization. You should refrain from contacting any Federal agency on behalf of a friend, neighbor, business associate or others to assist in making a claim or otherwise advocating a matter before that agency.

With certain very limited exceptions, Presidential appointees cannot receive any income for outside activities during their term of office. In addition, all non-career employees earning more than the GS-15 rate (this includes all non-career SES employees) may not, in any calendar year, receive outside earned income which exceeds fifteen percent of the Level II Executive Schedule salary. Additionally, such employees may not receive any compensation for practicing a profession involving a fiduciary duty (e.g., accounting, law, or real estate), receive compensation for affiliating with a firm which provides such services, receive compensation for serving on a board of directors or as an officer of any organization, or receive compensation for teaching without prior agency approval.

Participation in Events Sponsored by For-Profit Organizations

Department of Labor policy generally prohibits all employees, in their official capacities, from speaking to or otherwise participating in events sponsored by private, for-profit organizations. The concern is that such events may be used by the organizations for client-building, client-retention, or other profit-making purposes. Exceptions to this policy may be made on a case-by-case basis by the agency head, with the concurrence of the Deputy Secretary, when there will be some unusual benefit to the agency by virtue of its participation.

This policy does not prohibit Department employees from attending and participating in internal meetings of a company, firm, or organization when attendance is limited to employees, officers, or partners of that entity. It also does not prohibit official participation in events sponsored or co-sponsored by governmental entities, or by private non-profit organizations such as professional associations, business leagues, and labor organizations.

Speaking, Teaching and Writing

An employee, regardless of level, cannot accept compensation from any source other than the Government for teaching, speaking, or writing that relates to the employee's official duties. There is an exception for teaching requiring repeated appearances as part of the regularly established curriculum at a college, secondary or elementary school. As stated in a previous section, Presidential appointees may not receive any outside income.

Financial Disclosure Reports and Mandatory Annual Ethics Training

All Presidential appointees, all career and non-career Senior Executive Service employees, all career and non-career employees paid above the GS-15 rate, and most Schedule C employees are required to file public financial disclosure reports (SF-278's) within thirty days of entering a covered position. Reports must also be filed annually on May 15 and within thirty days of terminating employment. Failure to file any of these reports in a timely fashion will subject you personally to a \$200 late filing fee. These financial disclosure reports are available for inspection when a written request is made by any individual or organization.

In addition, employees subject to the public filing requirement must receive at least one hour of ethics training each calendar year. Although you should be notified by your agency's servicing personnel office when you are required to file and when annual training will be offered, it is your responsibility to comply with the filing and training requirements.

Additionally, each agency within the Department has designated certain positions at or below the GS-15 level for coverage under a corresponding system of confidential financial disclosure reports (OGE-450's) for career employees and certain "special government employees." If your position has been so designated, you must file a confidential report within 30 days of your employment and by October 31 each year thereafter. Your personnel office should inform you if you are in a designated position. Also, all employees subject to the confidential filing requirement are required to receive at least one hour of "live" ethics training once every three years. Written ethics materials will also be provided to confidential financial disclosure filers during the years that "live" attendance is not required.

Post-Employment Restrictions: The "Ethics Pledge"

There are a number of post-employment restrictions placed on all employees when they leave governmental service. Additional restrictions are placed on "senior officials" of the government and on employees involved in the contracting process. Departing employees should make sure that they learn of these restrictions before they leave the government because violations can result in criminal penalties.

In addition, President Clinton has issued an Executive order which prohibits non-career senior employees from lobbying any officer or employee of his or her former agency for five years after leaving government. "Senior employees" are all those employees paid pursuant to the Executive Schedule, those paid at SES level 5 or 6, and those on other pay schedules whose base salary equals or exceeds the base salary for SES level 5.

Political Activity

The Hatch Act, as amended, allows most employees (other than career SES employees), to actively participate in

partisan campaigns. However, employees must do so on their own time and without using government resources or their government title. All employees are still prohibited from being a candidate for a partisan office or from fund-raising for a party or partisan candidate. Additionally, criminal statutes prohibit any Federal employee from using their official authority for the purpose of interfering with, or affecting, the nomination or the election of any candidate.

The Anti-Lobbying Act

Federal law prohibits any appropriated funds from being used for "grass roots" lobbying activities. In addition, an appropriation rider prohibits use of DOL funds for publicity or propaganda purposes designed to support or defeat legislation before the Congress. These laws have been construed as permitting agencies to inform the Congress of the Administration's position on matters before the Congress and otherwise responding to oversight requests. Additionally, these restrictions do not prohibit the Department from informing the public about a pending legislation affecting the Department or even expressing the Department's view on pending legislation. However, they do prohibit the Department from engaging in or promoting grass roots lobbying. That is, the Department may not contact outside individuals or organizations for the purpose of encouraging them to contact legislators to advocate views on legislative matters. In addition, the Department may not use its resources to assist a private lobbying effort.
