The newly published Long Range Plan for the Federal Courts (December 1995) provides a guide for policy making and administration by the Judicial Conference and other judicial branch authorities. It should be emphasized, however, that only the recommendations and implementation strategies represent judicial branch policy. All other text in the document, including commentary on recommendations and strategies, serves to explain and supplement the approved items but does not necessarily reflect the views of the Judicial Conference.

The Long Range Plan is intended to promote continued public dialogue concerning the future of the federal courts. To that end, the plan already has been distributed to all federal judges and senior judicial staff, all members of Congress and relevant congressional staff, other federal agencies, state judges and judicial staff, bar associations, law schools, and other interested parties. Copies can be obtained by contacting the Long Range Planning Office in the Administrative Office of the United States Courts. The plan is also available to Internet users at the Federal Courts' Home Page on the World Wide Web (<http://www.uscourts.gov>).

### Occupational Safety and Health Administration

#### NACOSH HazCom Workgroup Meeting

Notice is hereby given that a workgroup of the National Advisory Committee on Occupational Safety and Health (NACOSH), established under section 7(a) of the Occupational Safety and Health Act of 1970 (29 U.S.C. 656) to advise the Secretary of Labor and the Secretary of Health and Human Services on matters relating to the administration of the Act, will meet on March 20-21 in N3437 A-D of the Department of Labor Building located at 200 Constitution Avenue NW, Washington, DC. This meeting was previously announced in the November 15, 1995, Federal Register, but a second day has been added. This meeting is open to the public and will run from 10:00 am to approximately 4:30 pm the first day, and from 8:00 am to approximately 3:00 pm the second day.

The Occupational Safety and Health Administration (OSHA) has asked NACOSH to form a workgroup to identify ways to improve chemical hazard communication and the right-to-know in the workplace. OSHA has asked the Committee to provide OSHA with recommendations in approximately six months related to simplification of material safety data sheets, reducing the amount of required paperwork, improving the effectiveness of worker training, and revising enforcement policies so that they focus on the most serious hazards.

On March 20-21, presentations by specialists will be made on the following subjects: label comprehension, electronic access systems, training programs, and the experience of the American National Standards Institute (ANSI) in developing standards for the preparation of material safety data sheets (MSDSs) and labeling of hazardous industrial chemicals.

It is anticipated that the final product of this workgroup will be submitted to the full National Advisory Committee on Occupational Safety and Health in the summer.

Written data, views or comments for consideration by the workgroup may be submitted, preferably with 20 copies, to Joanne Goodell at the address provided below. Any such submissions will be provided to the members of the Workgroup and will be included in the record of the meeting. Individuals with disabilities who need special accommodations should contact Tom

[Application No. D-10218]

#### Proposed Class Exemption to Permit the Restoration of Delinquent Participant Contributions to Plans

**AGENCY:** Pension and Welfare Benefits Administration (PWBA), Department of Labor.

**ACTION:** Notice of proposed class exemption.

**SUMMARY:** This document contains a notice of pendency before the Department of Labor (the Department) of a proposed class exemption from the prohibited transaction restrictions of the Employee Retirement Income Security Act of 1974 (ERISA) and the Internal Revenue Code of 1986 (the Code). The proposed class exemption would provide exemptive relief for certain transactions involving the failure to transmit participant contributions to pension plans where such delinquent amounts are voluntarily restored to such plans with lost earnings. This exemption is being proposed as part of the Department's Pension Payback Program, which is targeted at persons who failed to transfer participant contributions to pension plans, including section 401(k) plans, within the time frames mandated by the Department's participant contribution regulation, and thus violated Title I of ERISA. If granted, the proposed exemption would affect plans, participants and beneficiaries of such plans and certain other persons engaging in such transactions.

**DATES:** Written comments and requests for a public hearing must be received by the Department on or before April 21, 1996.

**ADDRESSES:** All written comments (at least three copies) and requests for a public hearing should be sent to: Office of Exemption Determinations, Pension
