

Written comments and suggestions from the public and affected agencies concerning the proposed collection of information should address one or more of the following four points:

- (1) Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- (2) Evaluate the accuracy of the agencies estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- (3) Enhance the quality, utility, and clarity of the information to be collected; and
- (4) Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

Overview of this information collection:

- (1) **Type of Information Collection:** *Reinstatement without change of previously approved collection.*
- (2) **Title of the Form/Collection:** Application for Transmission of Citizenship Through a Grandparent.
- (3) **Agency form number, if any, and the applicable component of the Department of Justice sponsoring the collection:** Form N-600/N-643. Adjudications Division, Immigration and Naturalization Service.
- (4) **Affected public who will be asked or required to respond, as well as a brief abstract:** Primary: Individuals or households. Section 322 of the Immigration and Nationality Act enables a United States citizen parent, who is unable to transmit citizenship of his or her children, to use a citizen grandparent's residence for transmission. This form is required so that information on a grandparent's residence may be collected to establish a child's eligibility for naturalization.
- (5) **An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond:** 9,641 responses at 30 minutes (.50) per response.
- (6) **An estimate of the total public burden (in hours) associated with the collection:** 4,820 annual burden hours.
