

functions of the agency, including whether the information will have practical utility;

(2) Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;

(3) Enhance the quality, utility, and clarity of the information to be collected; and

(4) Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

Overview of this information:

(1) *Type of Information Collection:* Reinstatement, without change, of a previously approved collection for which approval has expired.

(2) *Title of the Form/Collection:* Crime Mapping Survey.

(3) *Agency form number, if any, and the applicable component of the Department sponsoring the collection:* Form: none. Office of Research and Evaluation, National Institutes of Justice, Office of Justice Programs, United States Department of Justice.

(4) *Affected public who will be as or required to respond, as well as a brief abstract:* *Primary:* Law enforcement Agencies. *Other:* None. This national survey is designed to determine the extent to which police departments, specifically crime analysts, are using computerized crime mapping. Surveys will be mailed to randomly select sample of police departments. The questionnaire will determine the level of crime mapping within departments, both in terms of hardware and software resources, as well as the types of maps that are produced and how they are used. The information collection from this survey will be used to advise the activities of the Crime Mapping Research Center.

(5) *An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond/reply:* 2,798 respondents for an average of 33 minutes per response.

(6) *An estimate of the total public burden (in hours) associated with the collection:* 652 burden hours.

DEPARTMENT OF LABOR

Occupational Safety and Health Administration

National Advisory Committee on Occupational Safety and Health; Notice of Meeting

Notice is hereby given of the date and location of the next meeting of the National Advisory Committee on Occupational Safety and Health (NACOSH), established under section 7(a) of the Occupational Safety and Health Act of 1970 (29 U.S.C. 656) to advise the Secretary of Labor and the Secretary of Health and Human Services on matters relating to the administration of the Act. NACOSH will hold a meeting on September 21 and 22, 1999, in Room N 3437 A-D of the Department of Labor Building located at 200 Constitution Avenue NW, Washington, D.C. The meeting is open to the public and will begin at 1:00 p.m. lasting until approximately 5:00 p.m. the first day, September 21. On September 22, the meeting will begin at 9:00 a.m. and last until approximately 4:00 p.m.

During its November 1998 meeting, NACOSH decided that one of its areas of activity over the next two years would be to study OSHA'S standards development process. The Committee plans to continue this study at its September meeting by studying the role of professional associations and consensus standards setting organizations in the standards development process. NACOSH has invited five consensus standards setting organizations and five professional associations related to occupational safety and health to participate in panel discussions on OASHA'S standards development process. Members of the public are invited to submit written comments.

Other agenda items will include: an overview of current activities of the Occupational Safety and Health Administration (OSHA) and the National Institute for Occupational Safety and Health (NIOSH), a discussion of NIOSH surveillance activities and a discussion of OSHA training, in addition to workgroup reports.

Written data, views or comments for consideration by the committee may be submitted, preferably with 20 copies, to

Joanne Goodell at the address provided below. Any such submissions received prior to the meeting will be provided to the members of the Committee and will be included in the record of the meeting. Because of the need to cover a wide variety of subjects in a short period of time, there is usually insufficient time on the agenda for members of the public to address the committee orally. However, any such requests will be considered by the Chair who will determine whether or not time permits. Any request to make an oral presentation should state the amount of time desired, the capacity in which the person would appear, and a brief outline of the content of the presentation. Individuals with disabilities who need special accommodations should contact Theresa Berry (phone: 202-693-1999; FAX: 202-693-1634) one week before the meeting.

An official record of the meeting will be available for public inspection in the OSHA Technical Data Center (TDC) located in Room N2625 of the Department of Labor Building (202-693-2350). For additional information contact: Joanne Goodell, Occupational Safety and Health Administration (OSHA); Room N-3641, 200 Constitution Avenue NW, Washington, DC, 20210 (phone: 202-693-2400; FAX: 202-693-1641; e-mail joanne.goodell@osha.gov; or at www.osha.gov).

Signed at Washington, DC, this 11th day of August, 1999.

Charles N. Jeffress,

Assistant Secretary of Labor for Occupational Safety and Health.
