**DATES:** The Charter will be filed on June 27, 2003.

The Committee will function as a part of the Department's rulemaking on revising safety standards for cranes and derricks in construction. It will attempt, using face-to-face negotiations, to reach consensus on the coverage and the substance of these rules, which can be used as the basis of a Notice of Proposed Rulemaking. Meetings shall be held as necessary, however, no fewer than eight meetings shall be held over a two-year period. The Committee will terminate two years from the date of this charter or upon the publication of a proposed crane and derricks in construction rule, whichever is earlier.

The committee will be composed of no more than 25 members and a facilitator, appointed by the Secretary of Labor. Members may represent the following interests in appropriate balance: Crane and derrick manufacturers, suppliers, and distributors; companies that repair and maintain cranes and derricks; crane and derrick leasing companies; owners of cranes and derricks; construction companies that use leased cranes and derricks; general contractors; labor organizations representing construction employees who operate cranes and derricks and who work in conjunction

with cranes and derricks; owners of electric power distribution lines; civil, structural and architectural engineering firms and engineering consultants involved with the use of cranes and derricks in construction; training organizations; crane and derrick operator testing organizations; insurance and safety organizations, and public interest groups; trade associations; government entities involved with construction safety and with construction operations involving cranes and derricks, and other companies, organizations, and trade associations whose interests are affected by an occupational safety standard governing worker safety for crane and derrick work in construction. Also, the Agency is a member of this committee.

The Committee will report to the Assistant Secretary for Occupational Safety and Health in compliance with the applicable provisions of the FACA and the NRA. Its Charter will be filed under the FACA fifteen (15) days from the date of this publication.
