

sale for importation, and the sale within the United States after importation of certain liquid crystal display modules, products containing the same, and methods for making the same by reason of infringement of certain claims of U.S. Patent Nos. 7,379,140; 6,141,075; 7,283,192; 5,670,994; and 7,408,588. The complaint further alleges the existence of a domestic industry. The Commission's notice of investigation named the following respondents: Samsung Electronics Co., Ltd. of Korea; Samsung Electronics America, Inc. of Ridgefield Park, New Jersey; and Samsung Semiconductor, Inc. of San Jose, California.

On February 12, 2010, Sharp moved to terminate the investigation on the basis of a settlement agreement. The Commission investigative attorney filed a response in support of the motion, and no party opposed the motion.

The ALJ issued the subject ID on February 26, 2010, granting the motion for termination. He found that the motion for termination satisfies Commission rule 210.21(b). He further found, pursuant to Commission rule 210.50(b)(2), that termination of this investigation by settlement agreement is in the public interest. No party petitioned for review of the ID. The Commission has determined not to review the ID, and the investigation is terminated.

The authority for the Commission's determination is contained in section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. 1337, and in sections 210.21 and 210.42(h) of the Commission's Rules of Practice and Procedure, 19 CFR 210.21, 210.42(h).

Issued: March 19, 2010.

By order of the Commission.

Marilyn R. Abbott,

Secretary to the Commission.
