

from which you have deleted the claimed confidential business information, to Docket Management at the address given above under **ADDRESSES**. When you send a comment containing information claimed to be confidential business information, you should include a cover letter setting forth the information specified in our confidential business information regulation. (49 CFR part 512.)

Will the agency consider late comments?

We will consider all comments that Docket Management receives before the close of business on the comment closing date indicated above under **DATES**. To the extent possible, we will also consider comments that Docket Management receives after that date.

How can I read the comments submitted by other people?

You may read the comments received by Docket Management at the address given above under **ADDRESSES**. The hours of the Docket are indicated above in the same location.

You may also see the comments on the Internet. To read the comments on the Internet, take the following steps:

(1) Go to the Federal Docket Management System (FDMS) at <http://regulations.gov>.

(2) FDMS provides two basic methods of searching to retrieve dockets and docket materials that are available in the system: (a) "Quick Search" to search using a full-text search engine, or (b) "Advanced Search," which displays various indexed fields such as the docket name, docket identification number, phase of the action, initiating office, date of issuance, document title, document identification number, type of document, **Federal Register** reference, CFR citation, etc. Each data field in the advanced search may be searched independently or in combination with other fields, as desired. Each search yields a simultaneous display of all available information found in FDMS that is relevant to the requested subject or topic.

(3) You may download the comments. However, since the comments are imaged documents, instead of word processing documents, the "pdf" versions of the documents are word searchable.

Please note that even after the comment closing date, we will continue to file relevant information in the Docket as it becomes available. Further, some people may submit late comments. Accordingly, we recommend that you

periodically check the Docket for new material.

**SUPPLEMENTARY INFORMATION:**

## I. Background

OSHRC proposes several substantive and technical revisions to its regulations implementing the FOIA (5 U.S.C. 552, as amended) that fall within two general categories. First, OSHRC proposes modifying its existing FOIA regulations to reflect the amendments to the FOIA contained in the OPEN Government Act, Public Law 110-175, 121 Stat. 2524. The OPEN Government Act amended various FOIA administrative procedures, such as when an agency may toll the statutory time for responding to FOIA requests and how to indicate exemptions authorizing deletion of materials under the FOIA on the responsive record.

Second, as a result of the Chief FOIA Officer's review of OSHRC's FOIA operations, OSHRC proposes to revise its regulations to further clarify its policies and procedures relating to the processing of FOIA requests and the administration of its FOIA operations. These proposed revisions include changes to the description of the OSHRC reading rooms and to OSHRC fee policies.

Accordingly, OSHRC proposes to revise its regulations implementing the FOIA and put them out for public comment. The specific amendments that OSHRC proposes to each section of 29 CFR part 2201 are discussed hereafter in regulatory sequence.

## II. Proposed Regulatory Revisions

In 29 CFR 2201.3, OSHRC proposes revising the description of the Chief FOIA Officer's duties in paragraph (a) to reflect the more detailed description of those duties set forth under the OPEN Government Act, 5 U.S.C. 552(k). Additionally, OSHRC proposes adding a description of the FOIA Public Liaison's duties in paragraph (c) to reflect the responsibilities described in the OPEN Government Act, 5 U.S.C. 552(a)(6)(B)(ii), (l). In paragraph (d) OSHRC proposes minor revisions to the FOIA Service Center's contact information. OSHRC also proposes revising paragraph (d) to add information about status requests provided by the FOIA Service Center, 5 U.S.C. 552(a)(7)(B).

In 29 CFR 2201.4, OSHRC proposes revising paragraph (c) to clarify the type of records publicly available in the e-FOIA Reading Room and where to access them. OSHRC proposes changing paragraph (d) to explain the procedures for using OSHRC's on-site e-FOIA Reading Room. OSHRC also proposes revising its definition of "Representative of the news media, or news media requester" in paragraph (e) to reflect the

definition provided in the OPEN Government Act. 5 U.S.C. 552(a)(4)(A)(ii). OSHRC would also add definitions of “Exceptional circumstances” and “Record” to paragraph (e), based on the description of these terms in the OPEN Government Act. 5 U.S.C. 552(a)(4)(A)(viii), (f)(2).

In 29 CFR 2201.6, OSHRC proposes revising paragraph (a) to add the tolling requirements set forth in the OPEN Government Act. 5 U.S.C. 552(a)(6)(A)(ii). Following the new requirement in the OPEN Government Act, OSHRC proposes revising its procedure for making deletions within records as set forth in paragraph (g) to include, where technically feasible, marking the exemption under which each deletion is made. 5 U.S.C. 552(b). OSHRC also proposes creating a new paragraph (h) describing how OSHRC assigns tracking numbers to incoming FOIA requests and notifies a requester of the tracking number assigned to the request. 5 U.S.C. 552(a)(7)(A). In addition, OSHRC proposes creating a new paragraph (i) to indicate that when searching for responsive records, OSHRC will ordinarily consider only records in its possession as of the date it begins its search. Finally, OSHRC proposes minor grammatical corrections to paragraphs (c) and (d)(3).

In 29 CFR 2201.7, OSHRC proposes revising the copying fee provision in paragraph (b)(1) and the search fee provision in paragraph (b)(2) to reflect the new requirements for each in the OPEN Government Act. 5 U.S.C. 552(a)(4)(A)(viii). OSHRC proposes revising paragraph (e) to consider requests for which fees are likely to exceed \$25 received only after the requester agrees to pay the actual or estimated fee.

In 29 CFR 2201.10, OSHRC proposes to update paragraph (a) to reflect the new maintenance of statistics requirements in the OPEN Government Act. 5 U.S.C. 552(e).

### III. Statutory and Executive Order Reviews

*Executive Orders 12866 and 13132, and the Unfunded Mandates Reform Act of 1995:* OSHRC is an independent regulatory agency and, as such, is not subject to the requirements of E.O. 12866, E.O. 13132, or the Unfunded Mandates Reform Act, 2 U.S.C. 1501 *et seq.*

#### Paperwork Reduction Act

OSHRC has determined that the Paperwork Reduction Act, 44 U.S.C. 3501 *et seq.*, does not apply because these rules do not contain any

information collection requirements that require the approval of OMB.

#### Regulatory Flexibility Act

OSHRC certifies under the Regulatory Flexibility Act, 5 U.S.C. 605(b), that these rules, if adopted, would not have a significant economic impact on a substantial number of small entities, because it applies exclusively to a Federal agency and individuals accessing the services of a Federal agency. Therefore, a Regulatory Flexibility Analysis is not required.

#### Congressional Review Act

These proposed revisions do not constitute a rule or a major rule under the Congressional Review Act, 5 U.S.C. 801–808. 5 U.S.C. 804(2), (3)(C).

#### List of Subjects in 29 CFR Part 2201

Freedom of information.

Signed at Washington, DC, on April 15, 2010.

**Thomasina V. Rogers,**  
Chairman.

For the reasons set forth in the preamble, OSHRC proposes to amend 29 CFR part 2201 as follows:

### PART 2201—REGULATIONS IMPLEMENTING THE FREEDOM OF INFORMATION ACT

1. The authority citation for part 2201 is revised to read as follows:

**Authority:** 29 U.S.C. 661(g); 5 U.S.C. 552.

2. Section 2201.3 is amended by revising paragraphs (a), (c), and (d) to read as follows:

#### § 2201.3 Delegation of authority and responsibilities.

(a) The Chairman delegates to the Chief FOIA Officer the authority to act upon all requests for agency records. The Chief FOIA Officer shall, subject to the authority of the Chairman:

(1) Have agency-wide responsibility for efficient and appropriate compliance with this section;

(2) Monitor implementation of the FOIA throughout the agency and keep the Chairman and the Attorney General appropriately informed of the agency's performance in implementing this section;

(3) Recommend to the Chairman such adjustments to agency practices, policies, personnel, and funding as may be necessary to improve implementation of this section;

(4) Review and report to the Attorney General, through the Chairman, at such times and in such formats as the Attorney General may direct, on the agency's performance in implementing this section; and

(5) Facilitate public understanding of the purposes of the statutory exemptions of this section by including concise descriptions of the exemptions in both the agency's FOIA handbook, and the agency's annual report on this section, and by providing an overview, where appropriate, of certain general categories of agency records to which those exemptions apply.

\* \* \* \* \*

(c) The Chief FOIA Officer shall designate the FOIA Public Liaison(s), who shall serve as the supervisory official(s) to whom a FOIA requester can raise concerns about the service the FOIA requester has received following an initial response. FOIA Public Liaisons shall be responsible for assisting in reducing delays, increasing transparency and understanding of the status of requests, and assisting in the resolution of disputes.

(d) OSHRC establishes a FOIA Requester Service Center that shall be staffed by the FOIA Disclosure Officer(s) and FOIA Public Liaison(s). The address and telephone number of the FOIA Requester Service Center is 1120 20th Street, NW., 9th Floor, Washington, DC 20036–3457, (202) 606–5700. The FOIA Requester Service Center is available to provide information about the status of a request to the person making the request using the assigned tracking number (as described in § 2201.6(h)), including

(1) The date on which the agency originally received the request; and  
(2) An estimated date on which the agency will complete action on the request.

3. Section 2201.4 is amended:  
a. By revising paragraphs (c) introductory text, (c)(1), (3), (4), and (5);  
b. By revising paragraph (d); and  
c. In paragraph (e) by revising the definition of “Representative of the news media, or news media requester” and adding, in alphabetical order, the definitions “Exceptional circumstances” and “Record”.

The revisions and additions read as follows:

#### § 2201.4 General policy and definitions.

\* \* \* \* \*

(c) *Record availability at the OSHRC e-FOIA Reading Room.* The records of Commission activities are publicly available for inspection and copying, and may be accessed electronically through the Commission's Web site at [http://www.oshrc.gov/foia/foia\\_reading\\_room.html](http://www.oshrc.gov/foia/foia_reading_room.html). These records include:

(1) Final decisions, including concurring and dissenting opinions, remand orders, as well as

Administrative Law Judge decisions pending OSHRC review, issued as a result of adjudication of cases;

\* \* \* \* \*

(3) Agency policy statements and interpretations adopted by OSHRC and not published in the **Federal Register**, if any;

(4) Administrative staff manuals that affect a member of the public, if any;

(5) Copies of records that have been released to a person under the FOIA that, because of the subject matter, the Commission determines have become or are likely to become the subject of subsequent requests for substantially the same records; and

\* \* \* \* \*

(d) *Record availability at the OSHRC on-site e-FOIA Reading Room.* Any member of the public may, upon request, access OSHRC's e-FOIA Reading Room via a computer terminal at the OSHRC National Office, located at 1120 20th St., NW., 9th Floor, Washington, DC 20036-3457. Such a request must be made in writing to the FOIA Requester Service Center, and indicate a preferred date and time for the requested access. OSHRC reserves the right to arrange a different date and time with the requester, if necessary.

(e) \* \* \*

*Exceptional circumstances* does not include a delay that results from a predictable agency workload of requests under this section, unless the agency demonstrates reasonable progress in reducing its backlog of pending requests.

\* \* \* \* \*

*Record* means any information that would be an OSHRC record subject to the requirements of the FOIA when maintained by OSHRC in any format, including an electronic format, and any such OSHRC record that is maintained for OSHRC by an entity under Government contract, for the purposes of records management.

*Representative of the news media*, or *news media requester* is any person or entity that gathers information of potential interest to a segment of the public, uses its editorial skills to turn the raw materials into a distinct work, and distributes that work to an audience. For purposes of this definition, the term "news" means information that is about current events or that would be of current interest to the public. Examples of news media entities include television or radio stations broadcasting to the public at large and publishers of periodicals (but only in those instances where they can qualify as disseminators of "news") who make their products available for

purchase or subscription by, or free distribution to, the general public. These examples are not all-inclusive. Moreover, as methods of news delivery evolve (for example the adoption of the electronic dissemination of newspapers through telecommunications services), such alternative media shall be considered to be news-media entities. For "freelance" journalists to be regarded as working for a news organization, they must demonstrate a solid basis for expecting publication through that organization. A publication contract would be the clearest proof, but OSHRC shall also look to the past publication record of a requester in making this determination. To be in this category, a requester must not be seeking the requested records for a commercial use. However, a request for records supporting the news-dissemination function of the requester shall not be considered to be for a commercial use.

\* \* \* \* \*

4. Section 2201.6 is amended by revising paragraphs (a), (c), (d)(3), and (g), and adding paragraphs (h) and (i) to read as follows:

**§ 2201.6 Responses to requests.**

(a) *Responses within 20 working days.* The FOIA Disclosure Officer will either grant or deny a request for records within 20 working days after receiving the request. The 20-day period shall not be tolled by the agency except in the following cases. In these cases, the agency's receipt of the requester's response to the agency's request for information or clarification ends the tolling period.

(1) The agency may toll the 20-day period once while awaiting information that it has reasonably requested from the requester under this section. The agency may make more than one request to the requester for information not related to issues regarding fee assessment, but can only toll the 20-day period once; or

(2) The agency may toll the 20-day period as many times as are necessary to clarify any issues regarding fee assessment.

\* \* \* \* \*

(c) *Additional extension.* The FOIA Disclosure Officer shall notify the requester in writing when it appears that a request cannot be completed within the allowable time (20 working days plus a 10-working-day extension). In such instances, the requester will be provided an opportunity to limit the scope of the request so that it may be processed in the time limit, or to agree to a reasonable alternative time frame for processing.

(d) \* \* \*

(3) A requester should assume, unless otherwise notified by the Commission, that its request is in the first track of processing. The Commission will notify a requester when its request is placed in the second track for processing and that notification will include the estimated time for completion. Should subsequent information substantially change the estimated time to process a request, the requester will be notified in writing. In the case of a request expected to take more than 30 working days for action, a requester may modify the request to allow it to be processed faster or to reduce the cost of processing. Partial responses may be sent to a requester as documents are obtained by the FOIA Disclosure Officer from the supplying offices.

\* \* \* \* \*

(g) *Deletions.* The FOIA Disclosure Officer shall provide to the requester in writing a justification for deletions within records. The amount of information deleted from records shall be indicated on the released portion of the record, unless including that indication would harm an interest protected by the exemption under which the deletion is made. If technically feasible, the place in the record where the deletion is made, and the exemption under which the deletion is made, shall be marked.

(h) *Tracking numbers.* The FOIA Disclosure Officer shall assign an individualized tracking number to each request received for processing and provide to each person making a request the tracking number assigned to the request. For any response that will take ten or more days to process, OSHRC will send the requester a postcard indicating the request's receipt date and its assigned tracking number.

(i) *Determining responsive records.* In determining which records are responsive to a request, OSHRC ordinarily will include only records in its possession as of the date it begins its search for them. If any other date is used, OSHRC shall inform the requester of that date.

5. Section 2201.7 is amended by a. Revising paragraphs (b)(1) and (b)(2) introductory text;

b. Adding paragraph (b)(2)(v); and

c. Revising paragraph (e).

The revisions and addition read as follows:

**§ 2201.7 Fees for copying, searching, and review.**

\* \* \* \* \*

(b) \* \* \*

(1) *Copying fee.* The fee per copy of each page shall be calculated in

accordance with the per-page amount established in OSHRC's fee schedule. See Appendix A to this part. For other forms of duplication, direct costs of producing the copy, including operator time, shall be calculated and assessed. Copying fees shall not be charged for the first 100 pages of copies unless the copies are requested for a commercial use. No copying fee shall be charged for educational, scientific, or news media requests if the agency fails to comply with any time limit in § 2201.6, provided that no unusual or exceptional circumstances (as those terms are defined in § 2201.6(b) and § 2201.4(e), respectively) apply to the processing of the request.

(2) *Search fee.* Search fees shall be calculated in accordance with the amounts established in OSHRC's fee schedule. See Appendix A to this part. Commercial requesters shall be charged for all search time, except as described below. Search fees shall be charged even if the responsive documents are not located or if they are located but withheld on the basis of an exemption. However, search fees shall be limited or not charged as follows:

\* \* \* \* \*

(v) *Failure to comply with time limits.* No search fee shall be charged if the agency fails to comply with any time limit in § 2201.6, provided that no unusual or exceptional circumstances (as those terms are defined in § 2201.6(b) and § 2201.4(e), respectively) apply to the processing of the request.

\* \* \* \* \*

(e) *Fees likely to exceed \$25.* If the total fee charges are likely to exceed \$25, the FOIA Disclosure Officer shall notify the requester of the estimated amount of the charges, unless the requester has indicated a willingness to pay fees up to the estimated amount. The notification shall offer the requester an opportunity to confer with the FOIA Disclosure Officer to reformulate the request to meet the requester's needs at a lower cost. In cases in which a requester has been notified that actual or estimated fees amount to more than \$25, the request shall not be considered received and further work shall not be done on it until the requester agrees to pay the actual or estimated total fee. Any such agreement shall be memorialized in writing.

\* \* \* \* \*

6. Section 2201.10 is amended by:
- Revising paragraphs (a)(3), (5), and (7);
  - Redesignating paragraphs (a)(8), (10), and (11) as paragraphs (a)(16) through (a)(18);
  - Removing paragraph (a)(9); and

d. Adding new paragraphs (a)(8) through (a)(15).

The revisions and additions read as follows:

**§ 2201.10 Maintenance of statistics.**

(a) \* \* \*

(3) A complete list of all statutes that the agency used to authorize the withholding of information under 5 U.S.C. 552(b)(3), which exempts information that is specifically exempted from disclosure by other statutes and the number of occasions on which each statute was relied upon;

\* \* \* \* \*

(5) The number of requests for records pending before the agency as of September 30 of the preceding year, and the median and average number of days that these requests had been pending before the agency as of that date;

\* \* \* \* \*

(7) The median number of days taken by the agency to process different types of requests, based on the date on which the requests were received by the agency;

(8) The average number of days for the agency to respond to a request beginning on the date on which the request was received by the agency, the median number of days for the agency to respond to such requests, and the range in number of days for the agency to respond to such requests;

(9) Based on the number of business days that have elapsed since each request was originally received by the agency—

(i) The number of requests for records to which the agency has responded with a determination within a period up to and including 20 days, and in 20-day increments up to and including 200 days;

(ii) The number of requests for records to which the agency has responded with a determination within a period greater than 200 days and less than 301 days;

(iii) The number of requests for records to which the agency has responded with a determination within a period greater than 300 days and less than 401 days; and

(iv) The number of requests for records to which the agency has responded with a determination within a period greater than 400 days;

(10) The average number of days for the agency to provide the granted information beginning on the date on which the request was originally filed, the median number of days for the agency to provide the granted information, and the range in number of days for the agency to provide the granted information;

(11) The median and average number of days for the agency to respond to administrative appeals based on the date on which the appeals originally were received by the agency, the highest number of business days taken by the agency to respond to an administrative appeal, and the lowest number of business days taken by the agency to respond to an administrative appeal;

(12) Data on the 10 active requests with the earliest filing dates pending at the agency, including the amount of time that has elapsed since each request was originally received by the agency;

**DEPARTMENT OF HOMELAND SECURITY**

**Coast Guard**

**33 CFR Part 110**

[Docket No. USCG 2008-1082]

RIN 1625-AA01

**Anchorage Regulations; Port of New York**

**AGENCY:** Coast Guard, DHS.

**ACTION:** Supplemental notice of proposed rulemaking.

**SUMMARY:** This document supplements the Coast Guard's September 2009 proposal to amend Anchorage Ground No. 19 located east of the Edgewater-Weehawken Federal Channel on the Hudson River. The revised proposal is necessary to facilitate safe navigation and provide safe and secure anchorages for vessels operating in the area. This supplemental notice of proposed rulemaking amends the NPRM that incorrectly stated that the current Edgewater-Weehawken Federal Channel would be relocated as part of the
