#### SUPPLEMENTARY INFORMATION:

##### I. Background

The Department of Labor, as part of its  
continuing effort to reduce paperwork  
and respondent (i.e., employer) burden,  
conducts a preclearance consultation  
program to provide the public with an  
opportunity to comment on proposed  
and continuing information collection  
requirements in accordance with the  
Paperwork Reduction Act of 1995  
(PRA–95) (44 U.S.C. 3506(c)(2)(A)).

This program ensures that  
information is in the desired format,  
reporting burden (time and costs) is  
minimal, collection instruments are  
clearly understood, and OSHA's  
estimate of the information collection  
burden is accurate. The Occupational  
Safety and Health Act of 1970 (the OSH  
Act) (29 U.S.C. 651 *et seq.*) authorizes  
information collection by employers as  
necessary or appropriate for  
enforcement of the OSH Act or for  
developing information regarding the  
causes and prevention of occupational

injuries, illnesses, and accidents (29  
U.S.C. 657).

Subpart I specifies several paperwork  
requirements. The following describes  
the information collection requirements  
in subpart I and addresses who will use  
the information.

#### *Hazard Assessment and Verification* (§ 1910.132(d))

Paragraph (d)(1) requires employers to  
perform a hazard assessment of the  
workplace to determine if hazards are  
present, or likely to be present, that  
make the use of personal protective  
equipment (PPE) necessary. Where such  
hazards are present, employers must  
communicate PPE selection decisions to  
each affected employee (paragraph  
(d)(1)(ii)).

Paragraph (d)(2) requires employers to  
certify in writing that they have  
performed the hazard assessment. The  
certification must include the date and  
the person certifying that the hazard  
assessment was conducted, and the  
identification of the workplace  
evaluated (area or location).

The hazard assessment assures that  
potential workplace hazards  
necessitating PPE use have been  
identified and that the PPE selected is  
appropriate for those hazards and the  
affected employees. The required  
certification of the hazard assessment  
verifies that the required hazard  
assessment was conducted.

##### II. Special Issues for Comment

OSHA has a particular interest in  
comments on the following issues:

- Whether the proposed information  
collection requirements are necessary  
for the proper performance of the  
Agency's functions, including whether  
the information is useful;
- The accuracy of OSHA's estimate of  
the burden (time and costs) of the  
information collection requirements,  
including the validity of the  
methodology and assumptions used;
- The quality, utility, and clarity of the  
information collected; and
- Ways to minimize the burden on  
employers who must comply; for  
example, by using automated or other  
technological information collection  
and transmission techniques.

##### III. Proposed Actions

OSHA is requesting that OMB extend  
its approval of the information  
collection requirements contained in the  
Personal Protective Equipment Standard  
for General Industry (29 CFR part 1910,  
subpart I). OSHA is proposing that the  
burden hours in the currently approved  
information collection remain the same.  
There has been no change in the data for

the number of firms and workers affected by the Standard.

The Agency will summarize the comments submitted in response to this notice and will include this summary in the request to OMB.

*Type of Review:* Extension of a currently approved collection.

*Title:* Personal Protective Equipment (PPE) for General Industry (29 CFR part 1910, subpart I).

*OMB Control Number:* 1218-0205.

*Affected Public:* Business or other for-profits; Federal Government; State, Local, or Tribal Government.

*Number of Respondents:* 3,500,000.

*Frequency of Response:* On occasion.

*Average Time per Response:* Varies from one minute (.02 hour) to maintain a training certification record to 29 hours to perform a hazard assessment.

*Estimated Total Burden Hours:* 1,696,991.

*Estimated Cost (Operation and Maintenance):* \$0.

#### OFFICE OF MANAGEMENT AND BUDGET

#### 2012 Statutory Pay-As-You-Go Act Annual Report

**AGENCY:** Office of Management and Budget (OMB).

**ACTION:** Notice.

**SUMMARY:** This report is being published as required by the Statutory Pay-As-You-Go (PAYGO) Act of 2010, 2 U.S.C. 931 *et seq.* The Act requires that OMB issue (1) an annual report as specified in 2 U.S.C. 934(a) and (2) a sequestration order, if necessary.

**FOR FURTHER INFORMATION CONTACT:** Patrick Locke. 202-395-3672.

**SUPPLEMENTARY INFORMATION:** This report and additional information about the PAYGO Act can be found at [http://www.whitehouse.gov/omb/paygo\\_default](http://www.whitehouse.gov/omb/paygo_default).

**Authority:** 2 U.S.C. 934.

Courtney Timberlake,

*Assistant Director for Budget.*

This Report is being published pursuant to section 5 of the Statutory Pay-As-You-Go (PAYGO) Act of 2010, Public Law 111-139, 124 Stat. 8, 2 U.S.C. 934, which requires that OMB issue an annual PAYGO report, including a sequestration order if

necessary, no later than 14 working days after the end of a congressional session.

This Report describes the budgetary effects of all legislation enacted during the second session of the 112th Congress and presents the 5-year and 10-year PAYGO scorecards maintained by OMB. Because neither the 5-year nor 10-year scorecard shows a debit for the budget year, which for purposes of this Report is fiscal year 2013,<sup>1</sup> a sequestration order under subsection 5(b) of the PAYGO Act, 2 U.S.C. 934(b), is not necessary.

There was no legislation designated as emergency legislation under section 4(g) of the PAYGO Act, 2 U.S.C. 933(g) enacted during the second session of the 112th Congress. In addition, the scorecards include no current policy adjustments made under section 4(c) of the PAYGO Act, 2 U.S.C. 933(c), for legislation enacted during the second session of the 112th Congress. For these reasons, the Report does not contain any information about emergency legislation or a description of any current policy adjustments.

#### I. PAYGO Legislation with Budgetary Effects

PAYGO legislation is authorizing legislation that affects direct spending or revenues; and appropriations legislation that affects direct spending in the years beyond the budget year or affects revenues in any year.<sup>2</sup> For a more complete description of the Statutory PAYGO Act, see the OMB Web site, [http://www.whitehouse.gov/omb/paygo\\_description](http://www.whitehouse.gov/omb/paygo_description), and Chapter 14, "Budget Process," of the *Analytical Perspectives* volume of the 2013 Budget, <http://www.gpo.gov/fdsys/pkg/BUDGET-2013-PER/pdf/BUDGET-2013-PER.pdf>.

The 5-year PAYGO scorecard shows that PAYGO legislation enacted in the second session of the 112th Congress was estimated to have PAYGO budgetary effects that decreased the deficit by \$839 million each year from 2013 through 2017.<sup>3</sup> Balances carried

<sup>1</sup> References to years on the PAYGO scorecards are to fiscal years.

<sup>2</sup> Provisions in appropriations acts that affect direct spending in the years beyond the budget year (also known as "outyears") or affect revenues in any year are scorable for the purposes of the PAYGO scorecards except if the provisions produce outlay changes that net to zero over the current year, budget year, and the four subsequent years. As specified in section 3 of the Statutory PAYGO Act, off-budget effects are not counted as budgetary effects. Off-budget effects refer to effects on the Social Security trust funds (Old-Age and Survivors Insurance and Disability Insurance) and the Postal Service.

<sup>3</sup> As provided in section 4(d) of the PAYGO Act, 2 U.S.C. 933(d), budgetary effects on the PAYGO
