PART 151—LAND ACQUISITIONS

1. The authority citation for part 151 continues to read as follows:

2. Revise § 151.1 to read as follows:

§ 151.1 Purpose and scope.

These regulations set forth the authorities, policy, and procedures governing the acquisition of land by the United States in trust status for individual Indians and tribes. Acquisition of land by individual Indians and tribes in fee simple status is not covered by these regulations even though such land may, by operation of law, be held in restricted status following acquisition. Acquisition of land in trust status by inheritance or escheat is not covered by these regulations.

Dated: December 18, 2014.
Kevin K. Washburn,
Assistant Secretary—Indian Affairs.

A. Regulatory History and Information

There are two separate marine events addressed by this temporary regulation. (1) The Plaquemines Parish Fair & Orange Festival is an annually occurring event, but the sponsor did not apply for a marine event permit for the prior year’s event and the event appears to have no regulatory history. (2) The Madisonville New Year’s Eve event is also an annually occurring event, but the sponsor did not apply for a marine event permit for the prior year’s event, and the event appears to have no regulatory history. Upon full review of the details of each of these events, the Coast Guard determined that additional safety measures are necessary.

The Coast Guard is issuing this final rule without prior notice and opportunity to comment pursuant to authority under section 4(a) of the Administrative Procedure Act (APA) (5 U.S.C. 553(b)). This provision authorizes an agency to issue a rule without prior notice and opportunity to comment when the agency for good cause finds that those procedures are “impracticable, unnecessary, or contrary to the public interest.” Under 5 U.S.C. 553(b)(3)(B), the Coast Guard finds that good cause exists for not publishing a notice of proposed rulemaking (NPRM) with respect to this rule because as scheduled, the displays would take place before the full NPRM process could be completed.
