SUPPLEMENTARY INFORMATION:**I. Background**

OSHA published a notice of proposed rulemaking on July 15, 2015, titled "Clarification of Employer's Continuing Obligation To Make and Maintain an Accurate Record of Each Recordable Injury and Illness." The notice stated that comments were due by September 28, 2015. The National Association of Home Builders requested that the deadline for submitting comments be extended by 60 days to provide additional time for interested parties to engage in "legal analysis, as well as careful review and discussion" of the proposed rule. See Ex. OSHA-2015-006-0004. OSHA believes an extension of 30 days is reasonable. Therefore, to allow commenters adequate time to prepare complete and accurate comments on the proposed rule, OSHA is, with this notice, extending the deadline for submitting comments in response to the proposed rule to October 28, 2015.
