**SUPPLEMENTARY INFORMATION:** Section 21 of the OSH Act (29 U.S.C. 670) authorizes OSHA to conduct directly, or through grants and contracts, education and training courses. These courses must ensure an adequate number of qualified personnel to fulfill the purposes of the OSH Act, provide them with short-term training, inform them of the importance and proper use of safety and health equipment, and train employers and workers to recognize, avoid, and prevent unsafe and unhealthful working conditions. The agency requires organizations that receive these grants to submit quarterly progress reports that provide information on their grant-funded training activities; these reports allow OSHA to monitor the grantee's performance and to determine if an organization is using grant funds as specified in the grant application. For additional substantive information about this ICR, see the related notice published in the **Federal Register** on April 28, 2020 (85 FR 23534).

In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information that does not display a valid OMB Control Number. See 5 CFR 1320.5(a) and 1320.6.

DOL seeks PRA authorization for this information collection for three (3) years. OMB authorization for an ICR cannot be for more than three (3) years without renewal.
