

getting-started.html. After a digital ID certificate is obtained and a docket created, the participant must submit adjudicatory documents in Portable Document Format. Guidance on submissions is available on the NRC's public website at <https://www.nrc.gov/site-help/electronic-sub-ref-mat.html>. A filing is considered complete at the time the document is submitted through the NRC's E-Filing system. To be timely, an electronic filing must be submitted to the E-Filing system no later than 11:59 p.m. Eastern Time on the due date. Upon receipt of a transmission, the E-Filing system timestamps the document, and sends the submitter an email confirming receipt of the document. The E-Filing system also distributes an email that provides access to the document to the NRC's Office of the General Counsel and any others who have advised the Office of the Secretary that they wish to participate in the proceeding, so that the filer need not serve the document on those participants separately. Therefore, applicants and other participants (or their counsel or representative) must apply for and receive a digital ID certificate before adjudicatory documents are filed to obtain access to the documents via the E-Filing system.

A person filing electronically using the NRC's adjudicatory E-Filing system may seek assistance by contacting the NRC's Electronic Filing Help Desk through the "Contact Us" link located on the NRC's public website at <https://www.nrc.gov/site-help/e-submittals.html>, by email to MSHD.Resource@nrc.gov, or by a toll-free call at 1-866-672-7640. The NRC Electronic Filing Help Desk is available between 9:00 a.m. and 6:00 p.m., Eastern Time, Monday through Friday, excluding government holidays.

Participants who believe that they have good cause for not submitting documents electronically must file an exemption request, in accordance with 10 CFR 2.302(g), with their initial paper filing stating why there is good cause for not filing electronically and requesting authorization to continue to submit documents in paper format. Such filings must be submitted in accordance with 10 CFR 2.302(b)-(d). Participants filing adjudicatory documents in this manner are responsible for serving their documents on all other participants. Participants granted an exemption under 10 CFR 2.302(g)(2) must still meet the electronic formatting requirement in 10 CFR 2.302(g)(1), unless the participant also seeks and is granted an exemption from 10 CFR 2.302(g)(1).

Documents submitted in adjudicatory proceedings will appear in the NRC's electronic hearing docket, which is

publicly available at <https://adams.nrc.gov/ehd>, unless excluded pursuant to an order of the presiding officer. If you do not have an NRC-issued digital ID certificate previously described, click "cancel" when the link requests certificates and you will be automatically directed to the NRC's electronic hearing dockets where you will be able to access any publicly available documents in a particular hearing docket. Participants are requested not to include personal privacy information such as social security numbers, home addresses, or personal phone numbers in their filings unless an NRC regulation or other law requires submission of such information. With respect to copyrighted works, except for limited excerpts that serve the purpose of the adjudicatory filings and would constitute a Fair Use application, participants should not include copyrighted materials in their submission.

The Commission will issue a notice or order granting or denying a hearing request or intervention petition, designating the issues for any hearing that will be held and designating the Presiding Officer. A notice granting a hearing will be published in the **Federal Register** and served on the parties to the hearing.

For further details with respect to this application, see the application dated May 10, 2021 (ADAMS Accession No. ML21131A141), as supplemented on May 13, 2021 (ADAMS Accession No. ML21145A083).

VI. Access to Sensitive Unclassified Non-Safeguards Information for Contention Preparation

Any person who desires access to proprietary, confidential commercial information that has been redacted from the application should contact the applicant by telephoning Craig Sly at 804-273-2784 or 804-241-2473 for the purpose of negotiating a confidentiality agreement or a proposed protective order with the applicant. If no agreement can be reached, persons who desire access to this information may file a motion with the Secretary and addressed to the Commission that requests the issuance of a protective order.

SUPPLEMENTARY INFORMATION: The Privacy Act of 1974, 5 U.S.C. 552a(e)(4), requires federal agencies such as OSHRC to publish in the **Federal Register** notice of any new or modified system of records.

In accordance Executive Order 13869, "Executive Order on Transferring Responsibility for Background Investigations to the Department of Defense" (April 24, 2019), the

Department of Defense's Defense Counterintelligence and Security Agency will conduct personnel background investigations for OSHRC. This function was previously performed by the Office of Personnel Management. The system-of-records notice, OSHRC-7, has been revised to account for this change.

In addition, OSHRC recently revised its Privacy Act regulations, 29 CFR part 2400, which resulted in the renumbering of its regulatory provisions. 85 FR 65222 (Oct. 15, 2020). OSHRC is therefore revising the following elements in this system-of-records notice to reference the correct sections of the agency's Privacy Act regulations: Record Access Procedures, Contesting Record Procedures, and Notification Procedures.

The notice for OSHRC-7, provided below in its entirety, is as follows.

SYSTEM NAME AND NUMBER:

Personnel Security Records, OSHRC-7.

SECURITY CLASSIFICATION:

Unclassified.

SYSTEM LOCATION:

The Office of the Executive Director maintains the records in this system. The office is located at 1120 20th Street NW, Ninth Floor, Washington, DC 20036-3457.

SYSTEM MANAGER(S):

Human Resources Specialist, 1120 20th Street NW, Ninth Floor, Washington, DC 20036-3457; (202) 606-5100.

AUTHORITY FOR MAINTENANCE OF THE SYSTEM:

E.O. 13467, as amended; E.O. 13488, as amended; E.O. 13764; E.O. 13869; Homeland Security Presidential Directive (HSPD) 12; and Federal Information Processing Standard (FIPS) 201.

PURPOSE(S) OF THE SYSTEM:

The information collected by OSHRC allows the Department of Defense's Defense Counterintelligence and Security Agency (DCSA) and, previously, the Office of Personnel Management (OPM), to conduct background investigations on those individuals being credentialed, assist in verifying the identity of those for whom credentials have been requested, and provide the necessary information for issuance of identification and access cards.

CATEGORIES OF INDIVIDUALS COVERED BY THE SYSTEM:

This system of records covers current OSHRC employees, contractors, and

Commission members, and, as to records concerning office access cards, also former employees, contractors, and Commission members.

CATEGORIES OF RECORDS IN THE SYSTEM:

This system of records may include an individual's name and former names; signature; date and place of birth; social security number; citizenship information; residential history; education; employment history; criminal history and police records; names of associates and references, and their contact information; military history and selective service record; illegal drug activities; telephone numbers; hair and eye color, weight, and height; gender; financial records; investigative records; foreign countries visited; marital status and name, date and place of birth, address, and social security number of spouse; names of certain relatives who work for the government; names, addresses, dates and countries of birth, and citizenship of certain relatives. As to office access cards, the records include only the individual's name, and the date that the access card was activated, deactivated, and turned in. Most of the records concerning background investigations conducted by OPM, before this function was transferred to DCSA, are decentralized copies from OPM and remain subject to the practices and policies set forth in system-of-records notice OPM/CENTRAL-9 (Personnel Investigations Records). Copies of records from DCSA that are maintained in OSHRC's files are covered only by system-of-records notice OSHRC-7.

RECORD SOURCE CATEGORIES:

Information contained in the system is obtained from individuals subject to the credentialing process, OSHRC employees involved in the credentialing process, and investigative record materials furnished by DCSA or OPM.

ROUTINE USES OF RECORDS MAINTAINED IN THE SYSTEM, INCLUDING CATEGORIES OF USERS AND PURPOSES OF SUCH USES:

In addition to disclosures generally permitted under 5 U.S.C. 552a(b), all or a portion of the records or information contained in this system of records may be disclosed as a routine use pursuant to 5 U.S.C. 552a(b)(3) under the circumstances or for the purposes described below, to the extent such disclosures are compatible with the purposes for which the information was collected:

(2) To an appropriate agency, whether federal, state, local, or foreign, charged with investigating or prosecuting a violation or enforcing or implementing a law, rule, regulation, or order, when a record, either on its face or in conjunction with other information, indicates a violation or potential violation of law, which includes civil, criminal or regulatory violations, and such disclosure is proper and consistent with the official duties of the person making the disclosure.

(3) To a federal, state, or local agency maintaining civil, criminal or other relevant enforcement information, such as current licenses, if necessary to obtain information relevant to an OSHRC decision concerning the hiring, appointment, or retention of an employee; the issuance, renewal, suspension, or revocation of a security clearance; the execution of a security or suitability investigation; the letting of a contract; or the issuance of a license, grant or other benefit.

(4) To a federal, state, or local agency, in response to that agency's request for a record, and only to the extent that the information is relevant and necessary to the requesting agency's decision in the matter, if the record is sought in connection with the hiring, appointment, or retention of an employee; the issuance, renewal, suspension, or revocation of a security clearance; the execution of a security or suitability investigation; the letting of a contract; or the issuance of a license, grant or other benefit by the requesting agency.

(5) To an authorized appeal grievance examiner, formal complaints manager, equal employment opportunity investigator, arbitrator, or other duly authorized official engaged in investigation or settlement of a grievance, complaint, or appeal filed by an employee, only to the extent that the information is relevant and necessary to the case or matter.

(9) To a Member of Congress or to a person on his or her staff acting on the Member's behalf when a written request is made on behalf and at the behest of the individual who is the subject of the record.

(10) To the National Archives and Records Administration (NARA) for records management inspections and such other purposes conducted under the authority of 44 U.S.C. 2904 and 2906.

(11) To appropriate agencies, entities, and persons when: (a) OSHRC suspects or has confirmed that there has been a breach of the system of records; (b) OSHRC has determined that as a result of the suspected or confirmed breach there is a risk of harm to individuals, OSHRC, the Federal Government, or national security; and (c) the disclosure made to such agencies, entities, and persons is reasonably necessary to assist in connection with OSHRC's efforts to respond to the suspected or confirmed breach or to prevent, minimize, or remedy such harm.

(12) To NARA, Office of Government Information Services (OGIS), to the extent necessary to fulfill its responsibilities in 5 U.S.C. 552(h), to review administrative agency policies, procedures and compliance with FOIA, and to facilitate OGIS' offering of mediation services to resolve disputes between persons making FOIA requests and administrative agencies.

(13) To another federal agency or federal entity, when OSHRC determines that information from this system of records is reasonably necessary to assist the recipient agency or entity in (a) responding to a suspected or confirmed breach or (b) preventing, minimizing, or remedying the risk of harm to individuals, the recipient agency or entity (including its information systems, programs, and operations), the Federal Government, or national security, resulting from a suspected or confirmed breach.
