**Marka aad ka dhex shaqeyso U.S.,
shaqaaleysiyahaaga ayaa laga raba in uu bad
baadadaada ilaaliyo.**

OSHA ayaa awood sharci u leh in ay qiimeyso goobta shaqo misna hubiso in shaqaaleysiyahaagu ilaalinayo sharuucda bad baado. Haddii aan ogaano in uusan raaceynin - waan la xisaabtami doona.

Laguma weydiin doono wax xog ah oo quseya dhalashadaada. OSHA ma dhaqan geliso shuruucda socdaalka.

Haddii aad rabto in aad inala wadaagto warbixin quseysa xaaladaha bad baado ee goobta shaqada, inaga soo wac **1-800-321-6742 (OSHA)**.

Waa sharci daro in uu shaqaaleysiyahaagu kaaga aar goosto ka hadlida waalacaaga bad baado ama in aad la hadashay OSHA. Haddii uu shaqaaleysiyahaagu ku handado ama talaabo kaa qaado, isla markiiba inasoo wac. OSHA waxa ay ilaalisa qof walbo oo ka dhexshaqeynaya U.S.
